No. 27 Little Saint James Street, Montreal.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, OF ROXBURY,

HAS discovered in one of our common pasture weeds a remedy that cores EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing-sore mouth. One to three bottles will care the worst kind of pimples on

Two or three bottles will clear the system of hiles. Two bottles are warranted to cure the worst canker in the

mouth and stomach. Three to five bottles are warranted to cure the worst case of crysipelas.

One to two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and

blotches among the hair.
Four to six bottles are warranted to care corrupt and rus-

ning ulcers. One bottle will cure scaly eruptions of the skin. Two or three bottles are warranted to cure the worst case

of ringworm. Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a A benefit is always experienced from the first bottle, and a pericet cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in valuative all the wonderful medicines of the day, as that a common weed growing on the pastures, and along old stone walls, should cure every humor in the system, yet it is now a fixed fact. If you have a humor it has to start. There are no factor ands, hums nor have about it suiting some cases but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has also of Boston. I know the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flubby, restored to a perfect state of health by

one bottle. To those who are subject to a sick headach, one bottle will always cure it. It gives a great relief to caturrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works anyte beest regulated by it. Where the body is sound it works quite easy; but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encombined of it that ever man listened to.

ums of it that ever man listened to.

Nothing in the annuls of Patent Medicines has ever been Nothing in the annuls of Farent meanths simple pre-received by the public with so much favor as this simple pre-received by the public with so much favor as this simple pre-received by the public with so much favor as this simple preparation. It is now composed of nine different herbs. In May 1852, when I commenced making a business of it, I sold about two bottles per day. In June 1853, I sold 4,320 bottles. In October, 1853, I sold 6,120 bottles. I hope you will call that doing well. I do.

In my own practice, I confine it strictly to humors; but there are some who are so enthusiastic in its favor they think what cured them will cure any thing and any body; they accordingly recommend it for every variety of disease. In this way a great many virtues of it have been found that I never would suspect.

Cases of Dyspepsia, of many years standing, that withstood every known remedy have been permanently cared.
I know one man gain 17 lbs by taking three bottles; ano-

and the man gain 17 lbs by taking three bottles; another 11 lbs; another 10 lbs and another gain 7 lbs—the veterable Master Robinson, of Boston.

In diseases of the Liver it is a specific. I know several with yellow skin and yellow eyes, the body emaciated and the mind melancholy get fat and cheerful by a few bottles. I know several cases of Dropsy, and one particularly bad.

A lady aged 79 was unable to leave her house for the last welve years: was so much relieved (she was reduced in discovering the leave of the last welve years: was so much relieved (she was reduced in discovering the leave of the last welve years:

twelve years; was so much relieved (she was reduced in circumference thirty-four inches,) as to visit her friends in several Another had the Dropsy in her left leg, and was unable to walk for ten years, sometimes swelling to an enormous size; at last bursted, making a bad wound which could not be

healed; by taking three bottles and two boxes of continent she is now quite well. Why it should make some fat and others lane I can not tell; but so it is. I know of several cases of Kidney Complaints cured by it. If the colums of a newspaper was a proper medium, I could tell of cases of this most distressing of all diseases that would

make your heart bleed, that was permanently cured by it.

It has lately been found to be a sure cure for the Panama

It has lately been found to be a sure cure for the Fanama fever. In one case, the first spoonful put off the fit two hours. One bottle cured him. Another came home to die, and was induced by his brother to try it. Three bottles cured him. It likewise gives grent relief in the Asthma. A lady in Lawrence was unable to lay in bed for a number of years; she can now lay without the least inconvenience.

A lady in Weymouth lost the use of her left side by the Erysipelas. On the second bottle, she broke out one mass of humor from head to foot. In a few days she was well.

humor from head to foot. In a few days she was well.

It has lately been found to be equally good for humor onside as inside, (taking it inwardly in the meantime,) for Erysipelas, Salt Rheum, Pumples on the Face, or any eruption of the skin whatever; only where the flesh is very sore you

must dilute it with water. When made weak enough it is the best eye water for weak

and watering eyes that I ever saw.

Others use it to cleanse the dandruff out of the hair and strengthen its roots, which it certainly does; and to crown all, it made the hair grow on bald lieads, which, if I had not seen with my own eyes, I would not believe from you or say-

body else.

As regards dicting, I never came across the first person that ever got any benefit from it. On the contrary, numbers who came to death's door by it, as it gives the humors the upper hand. My medicine requires the most nourishing food you can get. It will soon give you un appetite.

Do not for a moment suppose that I warrant a cure of control of those diseases, in every case. I merely tell you what it has done, hoping it will do the same for you. I do not warrant a cure in any disease but humors where it never fails. For further particulars see the circular around each bottle. ther particulars see the circular around each bottle.

No change of diet ever necessary. Eat the best you san get, and enough of it. I have an herb, simmered in clive oil, seatters scrofulous swelling on the neck and under the cars. Price 50 cents per lex DIRECTIONS FOR USE.—Adults, one table spoonful per day;

children for eight years, desert spoonful; from five to eight tea spoonful. As no direction can be applicable to all constitutions, take enough to operate on the howels twice a day.
