DIVORCE MADE EASY .- The following is the substance of a bill now before the Vermont Legislature : ed where either of the parties is an habitual drunkard; or shall have joined any religious sect or society which professes to believe the relation of husband and wife to be unlawful; or refuses to cohabit with each other for the space of three years." According to the above provision, a wrangling or indiferent couple have but to agree to live apart for three years, and they are divorced for the asking.

A man ane day found a light guinea, which he was obliged to sell for eighteen shillings. Next day he saw another guinea lying in the street. "No, no," says he, "I'll have nothing to do with you; I lost three shillings by your brother yesterday."

Travellers are always liable to sudden attacks of Dysentery and Cholera Morbus, and these occuring when absent from home are very unplesant. PRRRY Davis Vegetable Pain Killen may always be relied upon in such cases. As soon as you fee! the symptoms, take one teaspoonful in a gill of new milk and and a gill of hot water, stir well together and drink hot. Repeat the dose every hour until relieved. If the pains be severe, bathe the bowels and back with

the medicine, clear.
In case of Asthma and Phthisic, take a teaspoonful in a gill of hot water sweetened well with molasses; also, bathe the throat and stomach faithfully with the medicine clear. Dr. Sweet says it takes out the soreness in cases of bonesetting faster than anything

be ever applied. Fishermen, so often exposed to hurts baving their skin pierced with hooks and fins of fish, can be much relieved by bathing with a little of the Pain Killer as soon as the accident occurs; in this way the anguish is soon bated: bathe as often as once in five minutes, say three or four times, and you will seldom have
