Mercantile Summary.

ONE hears of Klondyke orders wherever he goes. One commercial man writes us that the Brown & Wigle Company, of Kingsville, Ont., shipped ten bales, of 100 lbs., of Klondyke blankets to Dawson City the other day, put up in paper, and canvas waterproof lined.

At Puslinch, John A. Macdonald, general merchant, assigns to F. H. Lamb, of Hamilton. A meeting of creditors was to be held on 22nd. The liabilities are \$2,600, and assets of \$2,500, these latter are of a very poor description, and creditors are not likely to realize much.

THE officers of the St. Martin's, N.B., Board of Trade for the coming year are:—Jacob S. Titus, president; Wm. Smith, vice-president; W. H. Moran, secretary-treasurer. The members of the council are: J. S. Titus, Wm. Smith, W. H. Moran, Dr. Gillmour, A. O. White, James Rourke, M. Kelly, A. W. Fownes, W. H. Rourke, A. Wishart, J. B. Hodsmayth, J. P. Mosher, F. M. Cochran.

THE snowstorms of late January and early Feb. have been both inconvenient and expensive for the citizens of Montreal. As many as 1,200 men were at work on one day this month removing snow from the streets, and it is estimated that 200,000 sleigh loads of snow have been removed since the storm. The cost of the removal of snow by the big storm of January 23rd is stated at \$52,000, and on Sunday last there was another.

AN Ottawa paper states that Mr. McLeod Stewart will leave for England shortly, on business connected with the Ottawa and Georgian Bay Canal Company. He has been invited to give addresses on Canadian subjects whilst in Britain. He will be before the London Chamber of Commerce on the shortest water route from Chicago to London through Canada. On motion of Mr. Clemow, of Ottawa, the Senate has appointed a committee to examine the canal scheme.

FOR a dozen years at least, C. M. Foley has been a well-known lawyer in Paris, Ont. And he has long been entrusted with large sums of money by the confiding business men of the town and vicinity. These sums he guaranteed to invest in loan companies on the best terms. A week ago Mr. Foley was arrested on a warrant sworn out by Philip Whelan, charging fraud and misappropriation of \$1,000. Since then six or eight other informations have been laid on the same charges. The magistrate required \$10,000 bail, which Foley was unable to furnish, and on Saturday last he was committed to gaol. His defalcations are estimated to amount to \$50,000 or \$60,000. Bogus mortgages appear to have been Foley's specialty, and clients who felt secure because having the papers in their possession now find the documents valueless. Seven of the charges made against him now are for criminal breach of trust, for which the penalty is fourteen years.
