Machine à Moudre améliorée de Vessot

PATENTEE.

Médaille d'or et diplôme à l'exposition Coloniale de Chicago, 1893. Premiers prix à nos expositions canadiennes.

Notre moulinage "Petit Champion" est adapté surtout aux pouvoirs à chevaux et se vend à bien bon marché.

Nos grosses moulages pour les moulins moudent de 20 à 50 minutes à l'heure, aussi fin que désiré, et prennent moins de pouvoir que les meules en pierre.

Nos dernières améliorations: Moulages à sec ou mi-Basses, Elevateurs, Empocheurs, (fournis sur demande) s'adaptant à volonté; un Sas sur le dallot pour nettoyer le grain; un Levier pour éloigner ou rapprocher les meules instantanément.

Nos prix restent les mêmes. Nous faisons aussi un nouveau casseau amélioré pour blé d'Inde en épis. Demandez notre catalogue illustré.

S. VESSOT, seul manufacturier, Jolette, P.Q.
