The following words, in praise of Dr. PIERCE'S FAVORITE PRESCRIPTION as a remedy for those delicate diseases and weaknesses peculiar to women, must be of interest to every sufferer from such maladies. They are fair samples of the spontaneous expressions with which thousands give utterance to their sense of gratitude for the inestimable boon of health which has been restored to them by the use of this world-famed medicine.

**\$100
THROWN AWAY.**

JOHN E. SEGAR, of Millenbeck, Va., writes: "My wife had been suffering for two or three years with female weakness, and had paid out one hundred dollars to physicians without relief. She took Dr. Pierce's Favorite Prescription and it did her more good than all the medicine given to her by the physicians during the three years they had been practicing upon her."

**THE GREATEST
EARTHLY BOON.**

Mrs. GEORGE HERGER, of Westfield, N. Y., writes: "I was a great sufferer from leucorrhoea, bearing-down pains, and pain continually across my back. Three bottles of your Favorite Prescription restored me to perfect health. I treated with Dr. —, for nine months, without receiving any benefit. The 'Favorite Prescription' is the greatest earthly boon to poor suffering women."

**THREW AWAY
HER
SUPPORTER.**

Mrs. SOPHIA F. BOSWELL, White Cottage, O., writes: "I took eleven bottles of your 'Favorite Prescription' and one bottle of your 'Pellets.' I am doing my work, and have been for some time. I have had to employ help for about sixteen years before I commenced taking your medicine. I have had to wear a supporter most of the time; this I have laid aside, and feel as well as I ever did."

**IT WORKS
WONDERS.**

Mrs. MAY GLEASON, of Nunica, Ottawa Co., Mich., writes: "Your 'Favorite Prescription' has worked wonders in my case. Again she writes: 'Having taken several bottles of the 'Favorite Prescription' I have regained my health wonderfully, to the astonishment of myself and friends. I can now be on my feet all day, attending to the duties of my household."

TREATING THE WRONG DISEASE.

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here or there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he prescribes his pills and potions, assuming them to be such, when, in reality, they are all only symptoms caused by some womb disorder. The physician, ignorant of the cause of suffering, encourages his practice until large bills are made. The suffering patient gets no better, but probably worse by reason of the delay, wrong treatment and consequent complications. A proper medicine, like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery.

**3 PHYSICIANS
FAILED.**

Mrs. E. F. MORGAN, of No. 71 Lexington St., East Boston, Mass., says: "Five years ago I was a dreadful sufferer from uterine troubles. Having exhausted the skill of three physicians, I was completely discouraged, and so weak I could with difficulty cross the room alone. I began taking Dr. Pierce's Favorite Prescription and using the local treatment recommended in his 'Common Sense Medical Adviser.' I commenced to improve at once. In three months I was perfectly cured, and have had no trouble since. I wrote a letter to my family paper, briefly mentioning how my health had been restored, and offering to send the full particulars to any one writing me for them, and enclosing a stamped-envelope for reply. I have received over four hundred letters. In reply, I have described my case and the treatment used, and have earnestly advised them to 'do likewise.' From a great many I have received second letters of thanks, stating that they had commenced the use of 'Favorite Prescription,' had sent the \$1.50 required for the 'Medical Adviser,' and had applied the local treatment so fully and plainly laid down therein, and were much better already."

**JEALOUS
DOCTORS.**

A Marvelous Cure.—Mrs. G. F. SPRAGUE, of Crystal, Mich., writes: "I was troubled with female weakness, leucorrhoea and falling of the womb for seven years, so I had to keep my bed for a good part of the time. I doctored with an army of different physicians, and spent large sums of money, but received no lasting benefit. At last my husband persuaded me to try your medicines, which I was loath to do, because I was prejudiced against them, and the doctors said they would do me no good. I finally told my husband that if he would get me some of your medicines, I would try them against the advice of my physician. He got me six bottles of the 'Favorite Prescription,' also six bottles of the 'Discovery,' for ten dollars. I took three bottles of 'Discovery' and four of 'Favorite Prescription,' and I have been a sound woman for four years. I then gave the balance of the medicine to my sister, who was troubled in the same way, and she cured herself in a short time. I have not had to take any medicine now for almost four years."

THE OUTGROWTH OF A VAST EXPERIENCE.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the uterus, or womb and its appendages, in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic. It promotes digestion and assimilation of food,

cures nausea, weakness of stomach, indigestion, bloating and eructations of gas.

As a soothing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, or "whites," excessive flowing at monthly periods, painful menstruation, unnatural suppressions, prolapsus or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

In pregnancy, "Favorite Prescription" is a "mother's cordial," relieving nausea, weakness of stomach and other distressing symptoms common to that condition. If its use is kept up in the latter months of gestation, it so prepares the system for delivery as to greatly lessen, and many times almost entirely do away with the sufferings of that trying ordeal.

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women sold, by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years. Large bottles (100 doses) \$1.00, or six bottles for \$5.00.
