

Indigestion

Horsford's Acid Phosphate

Is the most effective and agreeable remedy in existence for preventing indigestion, and relieving those diseases arising from a disordered stomach.

Dr. W. W. Gardner, Springfield, Mass., says: "I value it as an excellent preventative of indigestion, and a pleasant acidulated drink when properly diluted with water, and sweetened."

A Father's Story.

TELLS HOW TWO DAUGHTERS REGAINED HEALTH AND STRENGTH.

One Was Declared by Physicians to be in Consumption, and Her Early Death Feared—The Other also Showed Symptoms of Going into a Decline—Both Again Enjoy Perfect Health.

From the Prescott Journal.

On a beautiful farm in the township of Oxford, seven miles from Kemptville, resides Mr. George Pettipiece and family. A correspondent of the Journal met Mr. Pettipiece in a drug store enquiring for Dr. Williams' Pink Pills. He made the remark to the proprietor that he had such faith in them that he never allowed his house to be without them. This led your correspondent to ask why he praised them so highly, when Mr. Pettipiece told the following wonderful story: He said that his daughter, Miss Margaret, aged 20, owes her life to Pink Pills. About two years ago she was taken ill with a severe cold, which terminated in a dry hacking cough, and from that time she began to decline. She gradually grew weaker and weaker, until she had to take to her bed. She was under medical care, but did not in the least improve, and we made up our minds that consumption had fastened upon her, and that her life was but a question of a few months at the most. We read much in the papers concerning Dr. Williams' Pink Pills, and thought that perhaps they might benefit her, as all else seemed to fail. After taking the pills for awhile a change for the better was noticeable, much to our joy and satisfaction. Thus encouraged, she continued to take Pink Pills for several months. By the end of this time she was fully restored and there is not now a healthier girl in the township. About the time she began taking the Pink Pills her eldest sister also began to grow pale and sickly, and showing the same signs of decline. She also used the Pink Pills with the same beneficial results. "I believe," said Mr. Pettipiece, "that but for Dr. Williams' Pink Pills one or both would be in the grave and you can, therefore, understand why I am so enthusiastic about this medicine and why I always keep Pink Pills in the house. You can print this if you wish, and you can say, too, that it but faintly conveys the feeling of gratitude I have for what this medicine has done for me and mine."

Dr. Williams' Pink Pills contain all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are for sale by all druggists, or may be had by mail from Dr. Williams' Medicine Company, Brookville, Ont., for 50 cents per box, or six boxes for \$2.50.
