

SECTION 142. CLASSIFICATION AND DECLASSIFICATION OF RESTRICTED DATA

Section 142 d:

"d. The Commission shall remove from the Restricted Data category such data as the Commission and the Department of Defence jointly determine relates primarily to the military utilisation of atomic weapons and which the Commission and Department of Defence jointly determine can be adequately safeguarded as defence information: provided however, that no such data so removed from the Restricted Data category shall be transmitted or otherwise made available to any nation or regional defence organization, while such data remains defence information, except pursuant to an agreement for co-operation entered into in accordance with sub-section 144 b".

SECTION 144. INTERNATIONAL CO-OPERATION

Section 144 b:

"b. The President [of the United States of America] may authorise the Department of Defence, with the assistance of the [Atomic Energy] Commission to co-operate with another nation or with a regional defence organization to which the United States is a party, and to communicate to that nation or organization such Restricted Data as is necessary to:

- "(1) the development of defence plans;
- "(2) the training of personnel in the employment of and defence against atomic weapons, and
- "(3) the evaluation of the capabilities of potential enemies in the employment of atomic weapons,

while such other nation or organization is participating with the United States pursuant to an international arrangement by substantial and material contributions to the mutual defence and security:

Provided, however, That no such co-operation shall involve communication of Restricted Data relating to the design or fabrication of atomic weapons except with regard to external characteristics, including size, weight, and shape, yields and effects, and systems employed in the delivery or use thereof but not including any data in these categories unless in the joint judgment of the [Atomic Energy] Commission and the Department of Defence such data will not reveal important information concerning the design or fabrication of the nuclear components of an atomic weapon: And provided further, That the co-operation is undertaken pursuant to an agreement entered into in accordance with Section 123".
