

ANNEX I

Explanatory Notes

- 1) Partially manufactured garments, i.e. garments which have been cut and sewn, or otherwise assembled, but which require further manufacture or processing, are also included in all the foregoing items, and are to be counted against the item number of the end product. For example, outerwear shells which are to be filled or lined are considered as partially manufactured products falling within Item 1.
- 2) Garments of indeterminate gender, including unisex garments, are to be counted as of male gender.
- 3) Swing between the textiles and clothing groups has been incorporated in the restraint limits set out in Annex I.
