GLASSCO COMMISSION RECOMMENDATIONS

Question No. 385—**Mr. Coates:**

How many of the recommendations of the Glassco Royal Commission have been approved and implemented since June 25, 1968, and in each instance, what is the object of each such recommendation?

**Hon. C. M. Drury (President of Treasury Board):** Since June 25, 1968 the following recommendations of the Royal Commission on Government Organization have been approved and have been implemented or are in the process of being implemented by the government. Where a proposal has been accepted in a modified form the new wording is indicated below the original.

Volume 1—Report No. 2  
Financial Management

Page

- 106 Responsibility be placed on departments for certifying to the Comptroller of the Treasury that expenditures will be lawful charges and that funds are available.
- 106 The responsibility of the Comptroller of the Treasury be limited to ensuring that the departmental officers providing this certificate are properly authorized.

Volume 3—Report No. 13  
Public Information Services

- 114 A small committee of senior information officers drawn from the departments and agencies be formed, under the chairmanship of the Queen's Publisher, to review and advise on co-ordination of public information policy and activity throughout the public service.

Volume 3—Report No. 15  
Health Services

- 203 The hospital care of Service personnel in Canada be gradually transferred to civilian hospitals and no building of new Service hospitals or replacement or enlargement of existing institutions be undertaken.
