Lieut. Colonel F. R. Phelan, D.S.O.,
Officer Commanding,
Canadian Grenadier Guards.

My dear Colonel Phelan,

I have just read an excellent report on the work of the McGill Contingent C.O.T.C. during the session 1932-33 and note with pleasure the evident good feeling which prevails between that Unit and the several Militia Units. May I express to you our sincere thanks for letting the C.O.T.C. have the privileges of your Drill Hall. This courtesy is very much appreciated by the Unit and by myself.

With kindest personal wishes,

I am,

Ever yours faithfully,

Principal
