

up all prescriptions ordered for patients in his own particular wards.

7. He shall insert in the case book under his charge, an account of all operations performed in the Hospital, and by whom performed. He shall be responsible for the affixing of the names, and other particulars of all the patients at their bed's head, and he shall enter in the register of patients the name, sex, age, religion, country, place of residence, disease, and time of admission of every patient received into the Hospital; also the name of the person by whom the patient has been recommended, whether a pauper or a pay-patient, and the rate per week; and the time and the manner in which every patient leaves the Hospital.

8. It shall be his duty to notify the Members of the Medical Board whenever a consultation is required.

9. He shall draw up a quarterly report of the state and number of patients admitted and discharged previously to the meetings of the Governors, and the Committee of Management.

10. It shall be his study to certify the regular attendance of each student of the Hospital.

11. He shall notify the Steward of the dismissal of all patients.

12. In all cases when it becomes necessary to notify the Coroner of the sudden death of any individual within the precincts of the Hospital, it shall be the duty of the House Surgeon to give such notice, and on the holding of the inquest, he shall be the Medical Officer referred to for information by that functionary, and the Jury summoned by him, and shall be entitled to the fees paid by the Coroner in such cases.

---

## CHAPTER XI.

### *Of the Apothecary.*

1. No person shall be eligible as Apothecary, until he shall have laid before the Governors satisfactory proofs of moral character, and of his having been examined and approved of by the Medical Board.

2. He shall compound, and make up, under the superintendence of the House Surgeon, all the Medicines required to be kept on hand; he shall take charge of such wards as are assigned to him by the attending Medical Officer.

3. He shall visit these at least once every morning and evening, and oftener, when required so to do by the attending Medical Officer; and in the event of his observing any great or sudden change in any of the patients in his ward, he shall immediately notify the House Surgeon to that effect.
