

"SALUDA"

Tea is Delicious

B415

—a rich fragrant tea
with an international re-
putation for fine quality

—*sealed packets only*

ESTABLISHED 1872

BANK OF HAMILTON

THE greater the creation of wealth, the easier is the burden of necessary taxation on the individual. Private interests as well as patriotic duty impels both farmers and manufacturers to augment production. In the development of the industrial and agricultural wealth of Canada, the Bank of Hamilton aims to be an important factor.
