Heaven and Earth Are Being Shaken

The Ecclesiastical Heavens Shaking—The Social Earth Quaking—Thus Begin the Terrible Experiences of the "Day of Jehovah"—"Who Shall Be Able to Stand?"—Only the Unshakable Things Will Remain—These Will Be Incorporated in Messiah's Kingdom—Knowledge Gives Strength and Protection—Ignorance of God's Truth Disastrous—My People Perish for Lack of Knowledge"—The Millennium Morning Dawns.

Pastor Russell's Syndicated Sermons appear weekly in approximately seven hundred newspapers in the United States, Canada, Great Britain, South Africa, Australia, Scandinavia, and four languages. Metropolitan cities are controlled by the syndicate, hence we are permitted to publish these constructive sermons in the "Toronto World" by the International Bible Students' Association.

Pastor Russell, in another timely sermon for his text, "Yet once more I shake not the earth only, but also heaven" (Hebrews 12:26), on Monday he read from Luke 21, 11, and 12, 3, 30; 3, 14. He declared that all these Scriptures are of the present age, the inauguration of the new epoch of Messiah's Kingdom. The present age is a time of tribulation, a time of shaking, a time of shaking that will have fulfillment. The heavens are being shaken refer not to divine judgment and throne, but symbolically to the ecclesiastical system of the present time. The stars, or bright hopes, have been shaken or confusion now operating in ecclesiastical circles. The present age is a time of shaking, a time of shaking that will have fulfillment. The stars, or bright hopes, have been shaken or confusion now operating in ecclesiastical circles.

The shaking of the earth referred to in the Bible, and symbolically by Jesus as the apostle, signifies revolutions that are expected to follow the present European war. And the pastor understands the Bible teaching correctly on this matter. This great symbolical earthquake, which will eventually in- surely, will reach its culmination first in Italy. However, this great symbolical earthquake, which will eventually in- surely, will reach its culmination first in Italy. When all around my soul great way, He then is all my Hope and Stay."

Our Adventist friends are not the only ones who have made the mistake of thinking of the fire and shaking of the earth and heavens as merely "earthquake." Practically all the "orthodox" churches this misinterpretation, but now, at least it is time that our eyes of understanding should open. Now that the shaking and the fire have begun, it is high time that we should see that "the earth abideth forever." There is no reason why the earth should be destroyed; neither is there reason why humanity should be destroyed from off the earth.

WANT TOWNSHIP SOLDIERS INSURED

Lambton Park Ratepayers Pass Resolution Favoring Proposal.

The question of the insurance of soldiers going to the front was brought up at last night's meeting of the Lambton Park Ratepayers' Association by A. Shaw, South African veteran, who occupied the chair. The question had been referred back by the York Township Council. "It is about the insurance of soldiers only place I have heard of in Canada which has not insured our soldiers. Even little villages had done so." He believed the premium paid in the city on a \$1000 insurance was \$5, and that the insurance would be taken out by the soldier himself. "It is up to the ratepayers to insure the soldiers. They are to insure the pay the title required," he concluded. "I think we ought to insure the men who go and do the fighting for us" added B. Skilpen.

EARLSCOURT HAS NEW ASSOCIATION

Will Take Active Interest in Both City and Township Affairs.

The Earlscourt and District Ratepayers' Association was formed last night at a meeting held at 145 Gordon avenue, following officers being elected: Hon. president, Third Deputy Reeve W. Wallace; president, John Wallace; vice-president, C. T. Leacy; hon. vice-president, Alderman Joe Gibbons; sec. treasurer, Henry Charles Dayson, George Hughes, J. H. Hill and John Griffith. The following resolutions were adopted: "That the York Township Council be requested to insure all members of the second and third contingents who are second and third contingents in order that their wives and families may be in some certain measure provided for in case of their death." "That the secretary get into communication with the express companies regarding that the matter of delivering mail to the township be immediately attended to. The old excuse of bad roads being no longer valid."

Govt. Control of Boiler Inspection

Hereafter Province Will Direct Approval of All Ontario Boilers.

The provincial government will assume direct control of boiler inspection in all Ontario. Every boiler which is allowed to be used must hereafter have received the sanction of inspectors who are appointed under government authority, and the examination by engineers who have had them in charge will be stopped at once. "It is not likely that government inspectors will be appointed to take the work entirely in charge because of the expense involved, by provincial supervision will be the aim."

TRAINING SOCIETY ANNUAL MEETING

The annual meeting of the Bible Training Society was held last night in the Bible Training school on College street. There were an unusually large number of members present and after the election of officers for the ensuing year was held, brief addresses were given. Prof. Griffith Thomas, of Wycliffe College, gave a very interesting address on the "Bible on the Battlefield." Rev. Dr. Hinks, of Trinity Methodist Church, also spoke on the "World Wide Missionary Work of the Bible Society." The following are the officers elected: President, N. W. Boyles; treasurer, Elias Rogers; hon. secretary, W. F. Chapman and Grant Honeywell; secretary, Rev. S. E. Gibson.

Civic Car Lines Run at a Profit

Actual Operation Revenue Was Larger Than Anticipated During Year.

GRANT FOR COUNTY Board to Consider Way of Meeting Payment of Taxes.

Contrary to expectations the civic car lines were operated at a profit during 1914, according to the annual report issued by Controller Harris yesterday. The profit is not very much and when the interest on debentures and sinking fund is considered there is a deficit of about \$7,000. The total mileage was 1,097,000; passenger miles, 1,097,000; gross revenue, \$186,948.83; operating expenses and maintenance, \$186,087.40; overhead charges per mile, \$7.98.

HOUSE OF INDUSTRY SUBMITS GOOD REPORT

At the board meeting of the House of Industry held yesterday afternoon with Beverly Jones in the chair, the following report was brought in: 1149 new families were added to the lists making a total of 4950 who received assistance. There are 236 inmates in the house. An average of 1703 meals per day were served to casuals during January. \$100 parts of milk, \$1.70 of bread and \$6,464 lbs. of groceries were distributed. The treasurer's report shows a \$40,574.14 over-draft.

JULIUS CAESAR SPLENDID FILM

Shown for First Time at Garden Theatre Yesterday.

MUSICAL PROGRAM

Accompaniment to the Story Lends Particular Emphasis.

It is doubtful if any film story has ever been "screened" that for dramatic, historical and pictorial excellence can compare with that of "Julius Caesar," which is being shown for the first time in Canada at the Garden Theatre of College street every afternoon and evening this week. Kleine feature films are famous the world over, but in this instance the producers have outdone all their previous efforts. It would be hard to conceive of a more stupendous production, and it seems scarcely possible that the thousands of townsfolk, soldiers and Roman dignitaries who participate in the various scenes depicting Caesar's triumphant career are but actors and not the actual people who worshipped the great general and emperor over two thousand years ago. Beginning at the period in Caesar's life when but a youth he falls in love with and marries the daughter of an enemy of the ruling dictator, and his consequent banishment from Rome, which is in six parts, follows his career through the plots and counter plots, involving the victorious invasion of Gaul, the revolution and subjection of Pompey, the scene in the vast senate building with its tier upon tier of marble seats, when he was smitten to death by the hand of the traitor Brutus. Every detail has been carefully thought out. The pictures taken in Rome show the stately colonnades and marble pillars of many famous buildings and a number of scenes are enacted on the actual spot where Caesar and his legions met and routed their foes. It is greatly to the credit of the management of the Garden Theatre that it has been the first to show this remarkable film in Canada, and the large crowds who have attended the performances thus far bear witness to the excellence of this picture. In connection with the film, a special musical program has been provided. The

WOMAN'S BEST MEDICINE

Mrs. Kelly Advises All Women to Take "Fruit-a-Tives"

Hagersville, Ont., Aug. 26th, 1913. "I can highly recommend 'Fruit-a-Tives' because they did me an awful lot of good and I cannot speak too highly about them. About four years ago I commenced taking 'Fruit-a-Tives' for a general break-down and they did me a world of good. We bought a good many dollars' worth, but it was money well spent because they did all that you claim for them. Their action is so pleasant, compared with other laxatives, that I found only pleasure, as well as health, in taking them. They seemed to me to be particularly suited to women, on account of their mild and gentle action, and I trust that some other women may start taking 'Fruit-a-Tives' after reading my letter, and if they do I am satisfied the results will be the same as in my own case."
