

# OLD WARRANT USED TO ARREST POWELL

Alleged That He Did Not Deposit Money for Contractor.

## MEMORY WAS GOOD

Woman Identifies Assailant When Answering Call to Police Station.

Frank Powell, 227 Manning avenue, was arrested by Acting Detective Holmes last evening, charged with the theft of \$500 from Eugene Dumas, 164 Markham street. The warrant for Powell's arrest was issued five months ago, but he has kept out of Toronto. Powell, who is a contractor, claims he gave Powell, who is an interpreter, \$500 to take to the bank and deposit as security on a tender, and that Powell never deposited the money.

Remembered Assailant. Although Mrs. Lewis, 129 Seaton street, called off 234 yesterday morning to arrest William Sinclair on a charge of assaulting her, she did not forget him when it came evening and it was time for him to eat. About 5 o'clock Sinclair had a phone message delivered to the complainant saying he was hungry. Very shortly afterwards Mrs. Lewis visited William's apartment police station, where the prisoner was being held, with a pint milk bottle full of tea and an exceedingly large lunch for Sinclair.

According to her story to the police, Sinclair was a boarder at her house, and had been out of work for some time. He got drunk, and yesterday morning raised a disturbance. Found House Ransacked. The residence of H. Tomlin, at 2 Brooklyn avenue, was ransacked by burglars some time before 2 a.m. on Thursday. Mr. and Mrs. Tomlin returned from a party at that hour, and found that burglars had carried away a large amount of jewelry, silverware, and other articles, besides eating nearly all the food in the house. The matter was reported to the police, and Acting Detective Murray of the Pape Avenue police station is working on the case.

Looking for Men. Relatives of Mabel Moore, 438 Ontario street, are anxious to learn the names of the four or five young men who carried Miss Moore into a drug store at the corner of Logan avenue and Gerrard street, a few days ago.

The young woman was stepping from the car when it is believed to have skidded, and throwing her to the pavement and inflicting severe injuries to her hip. At first it was feared that her hip was broken. She was attended by Dr. Morand, 1010 Gerrard street.

No Blame Attached. The jury that considered the evidence offered at the inquest into the death of Elizabeth Miles, at the inquest last night, brought in a verdict to their verdict, saying that there should be a home supplied for women who are weak mentally.

The dead woman, according to the evidence, was out of her mind, and had been detained in the Haven on Seaton street for some time. On March 16 she jumped from the window of her bed room, and was later found dead on the ground. The verdict did not place any blame on the woman, but in charge of other inmates.

Martin Foley Hurt. Martin Foley, 324 West Richmond street, was taken to St. Michael's Hospital with a broken hip from Police's Iron Works last night. He fell from a ladder. This was the fourth man to be injured at Police's Iron Works on Friday.

Second Car Victim. Nicholas Caplan, 52 Dundas street, died in St. Michael's Hospital early yesterday morning. He was struck near Queen and McCaul streets. An inquest will be held.

For Three Offences. Magistrate Denison in the police court yesterday sentenced Migan Giuseppe to two years in Kingston Penitentiary, on a charge of first with carrying a dangerous weapon, and he was a stranger, and thus securing a good. He then stole all the groceries in the store, and then rifling the store in the owner's absence constituted the third offence.

Three Men Injured. Three men, Hugh Smith, 18 years, 73 Bouthillie avenue; Arthur Gilbert, 28 years, 102 Logan avenue, and William Shields, 29 years, 159 Sherbourne street, were precipitated 25 feet to the ground at Police's Iron Works yesterday morning, when a scaffolding on which they were working gave way. They were employed on a new car ferry.

The injured men were hurried to St. Michael's Hospital by the police ambulance, where it was found that Shields had received injuries to his back. The injuries sustained by the other two were not of a serious nature.

Found Dead in Room. John E. George, a laborer, was found dead in his bed about 3 o'clock yesterday morning in the rooming-house of P. Roman, 2 York street. His body was removed to the morgue, where an inquest will be held. According to other roomers in the house the man did not retire until 2 o'clock, and an hour later a bell-boy hearing a noise in the upper portion of the house entered George's room and found him dead. A bottle that had contained carbolic acid was found under the pillow.

Passenger Traffic. No better time than now to visit this beautiful island.
