

BOILERS, BURNERS, TANKS,

IN ALL VARIETIES.

BOILERS

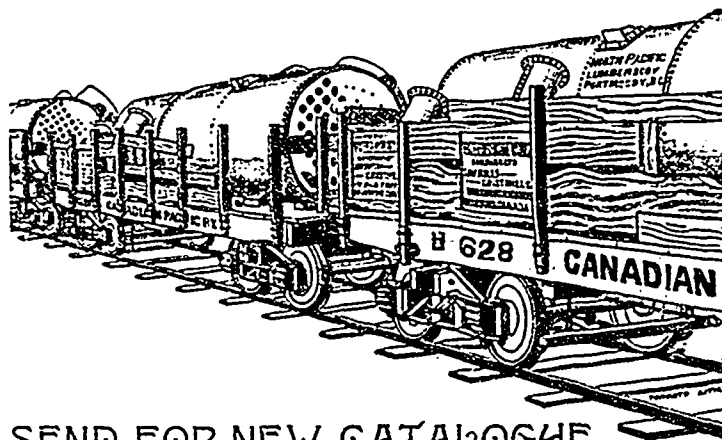

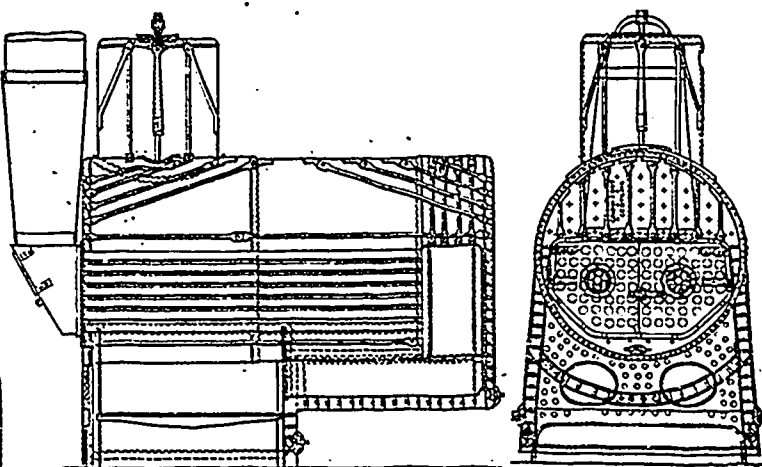

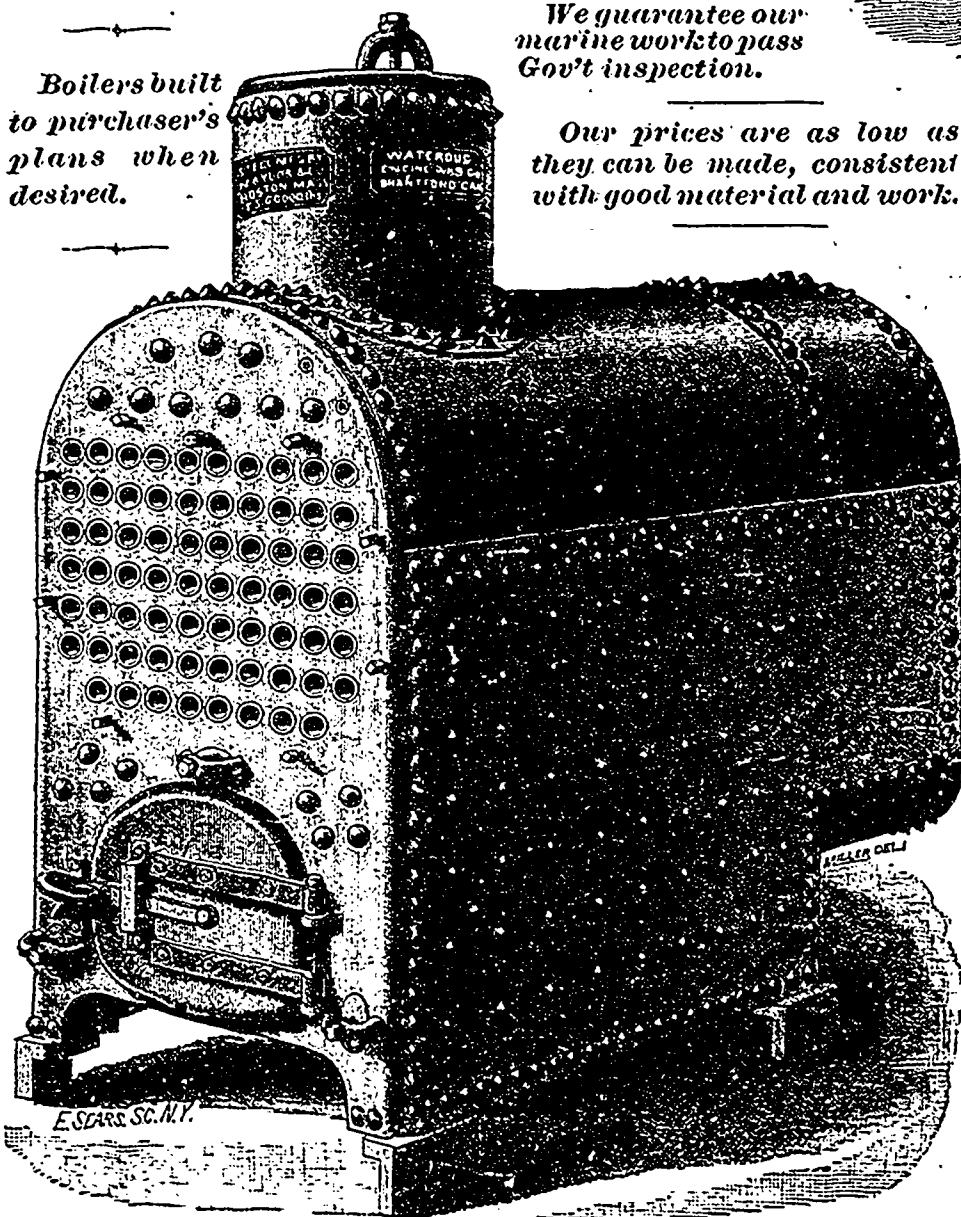

UP TO SIXTEEN FEET LONG

Can be made with but one sheet on the bottom, thus avoiding seams over the fire.

Boilers built to purchaser's plans when desired.

We guarantee our marine work to pass Gov't inspection.

Our prices are as low as they can be made, consistent with good material and work.

SEND FOR NEW CATALOGUE

And ask for estimates on any boiler work required.
