

The Modern Trust Company

ITS FUNCTIONS AND ORGANIZATION

By F. B. KIRKBRIDE

Formerly Treasurer of the Pennsylvania Company for Insurances on Lives
and Granting Annuities

and J. E. STERRETT, C.P.A.

*A New and Revised Edition. Cloth, 8vo, \$2.50. With Diagrams,
Blank Forms, Bibliography and a Full Index*

All references to laws and to clearing house or stock exchange rules have been brought to date, and other matter added which gives this edition greatly increased value.

"Every branch of the trust company business is examined in detail."

— *Literary Digest.*

"It gives one a clear conception of the working, the organization, the responsibilities and the commercial status of the trust company, which has for some time been so important a factor in the financial world." — *Public Ledger*, Philadelphia.

"No detail of trust company functioning appears to have escaped the authors, who further proffer numerous suggestions of solid value to the management of such concerns." — *Outlook.*

"It is a very thorough piece of work." — *New York Sun.*

"The ablest work of its kind ever published." — *Philadelphia Telegraph.*

"A book of practice rather than theory—the most modern and best practice." — *New York Times.*
