TIME NOW!

LMOST any day now you can throw off your heavy coat and slip into a lighter

weight one. For this season we have featured in our coats the combination idea---that is, you can, if you wish, buy a suit to match your coat or vice versa. Pretty shades of grey predominate this season, with a liberal sprinkling of tan mixes and pin check patterns. We show the two and threebutton through model, the fly front and the students' model. We know we have the most handsome showing in Toronto. Positively the largest stock,

and a price range that you will be delighted with---\$10.00 to \$30.00---and the most liberal guarantee in the world.
