Cleveland Glad to Leave Office. A writer in a recent number of Suc ess says that a few days after the in auguration of President McKinley he met ex-President Cleveland and walked down Broadway with him. Mr. Cleveland was beaming and was taking note of the interesting things abou him with all the zest of a big hear; y boy just out of school. The shop win-dows were engaging not a little of his attention. Upon a glance into one o them, that of a photographer, he stop ped short. In the window was an oil painting of himself.
"Well, well," he exclaimed, with a

laugh; "here is the most interesting thing we've seen yet! It's old Grover. Let's see what he looks like." Mr. Cleveland and his portrait stared at each other for a moment, and then the ex-president remarked, with a chuckle: 'So, this is the man we have all heard picture makes him out a good deal bet ter looking than some of the portraits
I have seen of him in the newspapers.
He looks healthy, but a little worried.

Slow Cure for Insomnia. "Speaking of homeopathy," said the octor "reminds me of the case of Miss N—, who traces her ancestry back thru a long line to the Puritans, and has imbibed from them strong and unyielding principles as regards saloons and liquor. Miss N— has been troubled with insomnia, and has tried all sorts of remedies. Finally, she told me of her trouble. I suggested that beer might help her to woo sleep. She was horrified, but at last a beer pedler stopped at her door and left a dozen bottles.

Dr. Chase's Ointment three days for the empty bottles.
"'My dear man," said Miss N-"The beer man returned in about "the bottle are not yet empty."

"The beer man waited several days measiness and discomfort, and the loss more and again appeared of blood, are familiar to many who may not know the name or nature of their fast, suggested the man.

"'Yhy,' replied Miss N——, 'I take Piles are small tumors, which form two teaspoonfuls twice a day."

Memorial Window at St. James' Miss Scott, sister of the late ex-Ald. James Scott, will place a memorial is most prominent.

The cause of greatest suffering is the intense itching, which is an almost constant symptom, while the greatest danger arises from loss of blood. You can scarcely imagine one in greater misery than the victim of a severe case of pulse.

James Scott, will place a memoriar window in St. James' Cathedral, where deceased was a churchwarden. The subject will be the first of a projected series to illustrate the history of the Anglican Church in Canada. The lower half of the window will portray the consecration in 1787 of Dr. nan the victim of a severe case of portray the consecration in 1787 of Dr. By reason of its remarkably soothing linglis as the first Rishop of Nova effect, Dr. Chase's Ointment brings almost instant relief from the dreadful The

bers into the Court Junction Lodge in St. James' Hall. He was assisted by Bros. C. D. Clarke, illustious commander, and W. S. G. Tidman, D.S.C.R., and Alexander Stewart, high treasurer. Only four of the 32 applicants were left over until next meeting. At the Armories.

The G.G.B.G. will have their shooting prizes presented next Tuesday evening.

On Oct. 3 the Field Battepy will go to Pettawa Camp for three days' instruction. One squad is already three. The garrison church parade will take place Oct. 15.

The garrison church parade will take place of the county of the content of the co

Continue Agitation for Reform.

St. Petersburg, Sept. 26.—Following a principal work they did was the promoting of Patrol Sergeants Geddes and question of the resumption of work, the

sembly hall of the university, listen-ing to a series of heated but remark-ably able speeches from student orators. Nearly all the speakers were members of the socialistic group, and many of them were out and out revolutionists, and a stranger listening to the fiery debate would have little idea that he was in Russia, supposedly a land where Constables Wilson and Snider were free speech is not permitted.

No voice was raised in favor of the government. All the speakers united in government. All the speakers united in government.

the idea that present concessions are unsatisfactory, and that it is necessary to continue the reform propaganda. But they differed as to whether it would be better tactics to continue the strike or re-open the university as a centre of agitation, or even as a "temple of revo-Students of the moderate faction, who were thinking of continuing their education rather than furthering the work of reform abandoned the form to the agitators, but when the vote was taken they snowed under those who wished to continue the strike.

Revolutionery proclamation. Revolutionary proclamations were several times showered from the gal-leries and the students sang the "Marseillaise." But the meeting was far more orderly than that of Feb. 20, dur-

ing which a portrait of the emperor was destroyed. Neither police nor troops were visible in the vicinity of the uni-The preamble to the resolution adopted declared that the national assembly in its present form was not truly repre-sentative, that it ignores the workmen. and that the students are not satisfied with the autonomy granted to the universities, but that the strike has lost its political significance and the re-open ing of the universities will mobilize the student forces and enable them to cooperate with other influences
