CRETANS FEAR MASSACRE.

It is Believed in Athens That Refugee Christians Will Shortly be Murdered —Churches Desecrated.

Athens, June 19.—The Turks refuse to allow any provisions to be taken to the thousands of Christian refugees at Rethymuy (Retimo) and other towns. Grave fears are entertained that all these helpless people will be massacred at the first opportunity unless the appeal of the Cretan Committee to the powers is granted and they are allowed to take refuge on board ship. If this were permitted the committee would send them food.

The condition of affairs calls for immediate action, and not a moment should be lost.

Another instance of Turkish barbarity is reported here. A few days ago a Christian went to work in a vineyard at Khilavia under an escort of two Turkish soldiers, when the men turned on him and cut him to pieces.

The commander of an English ironclad and the British Consul together visited the village of Coster and found it devastated. Another church has been destroyed, bringing the total of these outrages up to four. The tombs in each church were desecrated.

Sinister rumors have reached Athens from Constantinople to the effect that Armenians are being hanged in public places and on bridges. The condition of the country in the interior is deplorable.

Another Big Change on the G.T.R.

Commencing Monday, the G.T.R. have made a thorough revision in their departure and arrival of nearly all their trains in Toronto. From the proof sheets, nearly every train has been changed. The publishers of the Toronto Weekly Railway and Steamboat Guide Co. will have the only up-to-date change in alphabetical form, delivered to their subscribers almost as soon as the changes take effect. To keep posted every merchant and traveling man should have this handy reference sheet. It is sold weekly, and only by subscription. Do not rely on a monthly guide which contains more advertising than railway news, and what railway news they have after Monday will be inaccurate and unreliable.

At the Roof Garden.

To-night will be the last time to see the three Valdins, Jennie Ray, Tillie Russell and Sully and Gallagher, who put up a splendid one hour's amusement. Next week an entire change of artists will appear, including the popular Rich and Ramsay, and many others.

Died While Playing His Violin.

Orangeville, June 19.—While playing his violin yesterday Mr. James McMaster, ex-Deputy Reeve of Mono, was seized with a pain in his head, and died a short time afterwards. He leaves a widow and grown-up family.

THE MONTH OF ROSES AND BARGAINS.

Column after column of the newspapers filled each day with news of "bargains." What is wrong? This: Holders of large lots of goods, uneasy as to future market conditions and more uneasy as to their chances of marketing present holdings, are willing to make us particular concessions if we will take lots. If the goods are altogether up to our standard we take them. Our facilities and opportunities for disposing of large lots of stuff make this the one particular store sought after by manufacturers who are anxious to unload.

GREAT CLEARING OF DRESS GOODS MONDAY.

We are fully determined on a clearing of Black and Colored Dress Goods for Monday. All are new this season; but as we enter mid-summer, and our buyers are now in the European markets making fall purchases, our policy is to dispose of present stocks, though most seasonable, with very little regard to profit. Study this list—the prices are astonishing:

BUTCHERS AND LIARS

The Chief Characteristics of the Spanish Officers in Cuba—A Sample Story Showing Exaggeration.

Havana, June 19.—Private advices from Camagury are to the effect that the rebel loss in the battle of Najasa was only 11 killed and 49 wounded, instead of 500 killed and wounded, as was stated in the official report of the fight. The opinion is gaining ground here that the Spanish reports of a victory were untrue.

It is said that Maximo Gomez, the rebel commander-in-chief, is marching towards the railway between Nuevitas and Puerto Principe, his intention being to cut off communication between the two cities.

Advices from Manzanillo, Province of Santiago de Cuba, show that numerous parties of rebels belonging to the command of Rabi and Jose Maceo are concentrating in the vicinity of that city. Every precaution is being taken by the Spanish commander there to prevent or repulse an attack on the city.

Good Advice About Dyspepsia.

The best advice about dyspepsia is—cure it with Burdock Blood Bitters, and as surely as you follow the advice and take the medicine the cure will follow in every case.

Mr. William Day, of Fort William, Ont., says in speaking of B.B.B.: Two years ago my wife was very ill with dyspepsia. No remedy that she could find gave any relief; finally she tried Burdock Blood Bitters, and after taking six bottles was entirely cured. That is now more than two years ago and she has had no return of the malady. I also have had occasion to use B.B.B. and I cannot speak too highly in its favor.

I always recommend it to my friends and in every case with good results. Hoping this may be of use to you, I am, Yours very truly, WILLIAM DAY.

INFLAMMATORY RHEUMATISM—Mr. S. Ackerman, commercial traveler, Belleville, writes: "Some years ago I used Dr. Thomas' Eclectric Oil for inflammatory rheumatism, and three bottles effected a complete cure. I was the whole of one summer unable to move without crutches, and every movement caused excruciating pains. I am now out on the road and exposed to all kinds of weather, but have never been troubled with rheumatism since. I, however, keep a bottle of Dr. Thomas' Oil on hand, and I always recommend it to others, as it did so much for me."
