MAN O' WAR PACKED

UP WEIGHT AND WON

Defeating Wildair Easily and

Making New Record at

Havre de Grace.

Havre de Grace, Md., Sept. 18.-Man

o' War cannot be stopped. That is the

only opinion left after watching the

champion shoulder 138 pounds and win

the \$10,000 Potomac Handicap here this afternoon. The son of Fair Play made practically all his own pace, and eased

up to Harry Payne Whitney's Wildair in

the fast time of 1.44 4-5, thus clipping

one-lifth of a second off the track record, made by Uncle Bryn Sept. 22, 1917, with 105 pounds up, and later equaled by Midnight Sun and Willis Sharpe Kilmer's Exterminator. The latter carried only 124 pounds when he accomplished the task

the task.

Man o' War's margin of victory over
the Whitney colt today was a length and
a half. R. A. Parr's Blazes finished fifteen lengths behind Wildair, and was
two lengths in advance of his stablemate, Paul Jones, the Kentucky Derby

mate, Paul Jones, the Kentucky being winner.

The largest crowd in the history of the Havre de Grace race course assembled to pay tribute to Mr. Riddle's champion. Program sales indicate the crowd was one of the largest ever brought together in Maryland to witness horse racing, long before the first race the grounds were filled apparently to capacity. Still a steady stream poured thru the gates cager to see the great colt perform, and stysteriously room was found for all who came. Before the race the infield was thrown open to relieve the congestion in and about the stands. Eagerly a large part of the crowd took advantage of this, and when the horses paraded to the post the inner fence was lined from the eighth pole to a point a sixteenth or a mile from the judges' stand in the other direction.

Across the track from this group was a deeper one, stringing out for the same distance, and the stands were crowded to overflowing.

As Man o' War was led to the post there was an eager outburst of hand-clapping, but it was restrained, many of those present, apparently, being quite apprenensive lest the weight assignment would prove too much for the Fair Play colt. Man o' War walked along without causing much disturbance. He took three lunges at the barrier while in the hands of the assistant starter, and then steadied.
