DUNDAS, March 13.—The work of installing the transformers, etc., in the new hydro sub station is about completed, and the commission expects that the line work, which is being handled by a staff of men from Toronto, will be finished in a couple of days. There is a possibility of the work being finished tonight, and if so the connections will be made tomorrow by Supt. Whitton.

A patriotic concert was held on Tuesday evening in the town hall, under the auspices of the W. C. T. U. branch of Dundas, the proceeds of which will be devoted to the purchasing of comforts for the soldiers. There was a good attendance and the affair was a huge success. The ladies of the W. C. T. U. have been doing good work for the soldiers, and their entertainment was greatly appreciated by the members of the 7th Regiment.

Inspected Soldiers. An official inspection of the quota of the 7th Regiment of Westworth County, which will leave with the 3rd Canadian contingent, was made on Monday, when Col. W. A. Logie, Major

REV. WESLEY CASSON DIED LAST FRIDAY

Served Many Years as Minister in Methodist Church in Canada

The Rev. Wesley Casson, a superannuated Methodist minister, passed away at his residence, 2 Parkview Mansions, Friday, in his 85th year, after an illness of three months. He was the son of the Rev. Hodgson Casson, a famous angelist, and was born in Durham, England, receiving his education at the Tisbury Wesleyan College. At an early age he came to Canada, starting his career as a minister in 1861, at Mono, and subsequently holding charges at Brantford, Newmarket and other Ontario points, and also in Manitoba.

Mr. Casson was financial secretary for the Methodist Church in the year 1876. In 1885 he was financial secretary of the Owen Sound district; 1886 to 1888, of Stratford district; 1889-94, of Palmerston district, and 1895-97, of Welland. In the years 1888 and 1890 he was assistant secretary of the Toronto conference, and secretary in 1891. He was a delegate to the general conference in 1896.

Since his superannuation from the Dundas church in 1890 he had lived a retired life in Toronto. He is survived by his wife and three sons, Rev. Charles W. Casson, at Rosneath, Mass.; George Dent, staff sergeant Ammunition Park, Canadian Motor Transport, now in France.

WINDSOR TURNED DOWN BY RAILWAY BOARD

Cannot Compel One Company to Do What Another Was Not Allowed

Canadian Press Despatch. WINDSOR, Ont., March 13.—The City of Windsor cannot compel one railway company to do something that it refused to let another do. Two years ago the C.P.R. asked permission of the Dominion Railway Board to construct a level-crossing on London street, and the city opposed it saying that it would be dangerous to traffic, especially when it was so close to a school. The city now asks the railway board to compel the M.C.R. to allow a level-crossing on Wyandotte street, and Chairman Drayton reminded the city of its opposition to the C.P.R. crossing and the application was turned down. The board was willing to allow a bridge but it is unlikely that the city will build one.

THRU THE STRAITS IN A FORTNIGHT

Allied Fleet Should Reach Sea of Marmora in That Time

IF SUCCESS CONTINUES

And the Land Forces Continue to Make Their Advances

Canadian Press Despatch. PARIS, March 13.—The bombardment of the Dardanelles was resumed yesterday (Friday) morning by French and British battleships, says a despatch to The Matin from Athens. Seventy small mine-sweepers are reported to be continuing their efforts to clear the mine fields, under the direction of officers representing the British and French navies.

"The allied fleets," says The Matin, "still have eight or ten forts and a certain number of great batteries to reduce, but it is the general opinion they will enter the Sea of Marmora within a fortnight if the land forces co-operating with them also can continue their advance."

MAYOR CHURCH WANTS TO SEE MORE UNION JACKS

The mayor's patriotism has been stirred by a letter received from Registrar Homestead of Osgoode Hall. The registrar complained about the dilapidated condition of some of the flags flown on city buildings, and expressed his opinion that the Union Jack should be flown instead of the red ensign. The mayor has ordered that the Union Jack be used.
