INAUGURAL

Confers With Lieut. Governor's Secretary as to Date For Taking Office.

R. S. Barker, secretary to His Honor the Lieutenant Governor, was in the city last evening conferring with Hon. J. B. M. Baxter, for the Governor, in regard to the date on which the new cabinet would be sworn in. Hon. Dr. Baxter said this morning that it would be several days yet before he would be in a position to say just what date the members of his Government would be sworn into office. Governor Todd will leave for Quebec on September 5 to attend the meeting of Lieutenant Governors of the Dominion and it is expected the matter will be settled before that time. It is said the resignation of Premier Veniot is to be submitted some time this week but it not to take effect until September 10.

Governor Todd expects to return the Parana River for the capital, arriver for the capital for the city last the first for the capital for the city last for the city last for the city last for the capital for the city last for the capital for the city last for the city last for the capital for the city last for the city last for the city last for the capital for the city last for the city last for the capital for the city last for the city last for the city last for the city last for the capital for the city last for the capital for the city last for the city last for the capital for the city last for the capital for the city last for the capital for the city last for the city last

Gets Three Months and \$200 Fine For Trafficking in

Canadian Press.

SHANGHAI, Sept. 1—Colonel James Christle, British army, retired, was sentenced in the British police court today to three months' imprisonment with hard labor and a fine of \$200 on a charge of trafficking in arms.

Christie, with Brigadier General Charles Krausch, alias Charles A. Nelson, American; E. Chaperon, French, Otto Chryst, former German customs officer, and a Chinese, reported to be secretary to the General Wong Tze-Hua, were arrested by the French police on August 25 when arms and ammunition, valued at \$46,000, were veized. Each was to be tried in the ourt of his own country.
