St. Peter's and Quincy will clash tonight in the Two-L League fixture, which will take place on St. Peter's Park. A win for St. Peter's will place them on even footing with Frederickton.

The G. W. V. A. team left for Moncton this morning where they will play this evening. Manager Coughlan was expected to start Beattie or Partridge.

**Tomorrow evening the G. W. V. A. team and Quincy will play a postponed game on St. Peter's Park, and on Saturday St. Peter's will be at home for two games with Frederickton.**

**Trade With Giants.**  
Pleases Mitchell  
Chicago, June 13—"You can say for me," declared Fred Mitchell, manager of the Braves, when asked about the latest trade involving his club and the Giants, "that I am pleased. I think that Jess Barnes still has a lot of good pitching in his system, and Catcher Earl Smith can hit. Our club needs hitting."

"There is another angle to the trade that pleases me—Hank Gowdy has served very faithfully for a great many years and still is able to work, but not regularly. I think he will be of great assistance to the Giants in certain pinches and I am glad that he will finish up his major league career with a club that seems almost certain to win another championship."

"So far as the Boston club is concerned, I think that Barnes will be more useful to us than Watson. He ought to prove a very steady influence, especially after the hot weather comes. I am more than satisfied with the trade."

Smith is with the Braves here. Gowdy has gone to join the Giants. Mitchell expects trouble in the transfer of Barnes and Watson.
