TO THE PUBLIC.

F. JEFFREY, Hardware Merchant, 46 King Street East, has very great pleasure in presenting this little manual, which will be found to contain a number of exceedingly useful tables, not previously published, of great practical value to Contractors, Carpenters, Builders, Farmers, and the general Public. He would take the opportunity of soliciting an examination of his Stock and comparison of prices, feeling confident that he offers advantages to careful buyers that cannot fail to be appreciated when once known. Please remember the place,

46 KING STREET EAST.
