

class-rooms. Under the new Anatomy Act of the Province of Quebec, ample material for dissection is provided at moderate rates.

The Histological, Physiological and Bacteriological Laboratories are supplied with a complete outfit of Microscopes, Microtomes and of Bacteriological and other modern apparatus. The Pharmacological Laboratory, besides possessing a very complete cabinet of crude drugs and their preparations and alkaloids, has all the necessary appliances and means for the making of B. P. preparations and every facility for teaching practical dispensing. Recently the Faculty has expended another large sum for apparatus in several departments, to facilitate practical teaching.

The Faculty is recognized by the Royal College of Surgeons, England, and the Royal College of Physicians, London. Class tickets for the various courses are accepted by these Colleges as qualifying candidates for examination. The Royal College of Physicians of Edinburgh, the Royal College of Surgeons of Edinburgh, the Faculty of Physicians and Surgeons of Glasgow, and the University of London, also accept the class tickets of Bishop's College, and the Diploma of this University exempts its holder from being examined on the subjects of the Primary branches and Matriculation. Such candidates are therefore only required to pass in the subjects of the Final Branches, including Hygiene. The Scottish colleges acting conjointly grant only one examination, and therefore confer a triple qualification.

The Degree of Medicine and Surgery of this University, being accepted by the licensing bodies of Great Britain, its possessor is entitled to the same exemptions as are allowed to all other holders of recognized colonial degrees. The College of Physicians and Surgeons of Quebec accepts the degree without further examination, provided the holder of such degree has, previous to beginning the study of Medicine, passed the preliminary examination exacted by that Board.

The class tickets for the various courses are accepted as qualifying for the examination of the College of Physicians and Surgeons of Ontario, and the Matriculation examination of this Faculty is recognized by the General Medical Council of Great Britain.
