GLOVE CONTEST WAS DECLARED A DRAW

Bennett and Cove Gave Good Exhibition -Honors Were Evenly Divided Throughout.

The bantamweight event on Thursday between Percy Cove and Jockey Bennett was awarded a draw after a first-class twenty-round boxing exhibition. There was a good crowd in attendance, and the the death at Soda Creek, Cariboo, of and the principal match were carried through without a hitch. Both proved clever exhibitions and were appreciated. The majority of those present left the hall Referee Griffiths than to give the decision It was about 8.30 o'clock when the pre-

liminary, a four-round bout between Clarke, age. He leaves a widow and five chil- of Denver, and Scaler, of Spokane, was called. Master of Ceremonles Bob Foster introduced the men, and the "set to" comboth were slow. Clarke seemed to have attached to a conveyance belonging to the advantage, landing body blows which Denver artist. The final round was different. Clarke showing up to better adva and head. Referee Foster declared the contest a draw.

When the principals stepped into the a small boy carefully removed a sack of ring, Percy Cove in the lead, both were something from it. "What's in that greeted with applause. Bach was intro-ack?" a bystander inquired. "Oh, just duced, Cove's weight being placed at 110 pounds and Bennett's 118 pounds.

Bert Griffiths, champion middleweight of The match was under Queensbury ru hitting in clinches, providing each man had one hand free, being permitted. When the

men shook hands they presented a marked contrast. Bennett is smaller, stockier and better set all round. Cove is considerably sting his slimness. But he displayed a form that surprised the spectators, many tion Football Club, of the Terminal City, of whom, judging by mere appearance, it was not long before he secured a place thought he wouldn't last more than ten

Without any opening sparring, both men commenced exchanging heavy body blows. Occasionally this was varied by a vicious swing by Cove at his opponent's head. The latter avoided most of these by clever above the right eye, however, which drew blood. Bennett kept sending in right and left blows to Cove's body, but, although Owing to the lack of funds for a few found their mark, the majority were either blocked or avoided. The round end ed with honors even.

From the start of the second round they went after each other flercely. Cove land-ed to body repeatedly, while Bennett changed his tactics and fought for his opponent's head. They exchanged a hurricane of blows time after time. It was difficult to follow these mix-ups. Both gave and

The third and fourth round followed with honors apparently even. At the end of the latter Cove rushed Bennett to the ropes with a straight right and a vicious upper Instead of stepping aside he stood direct satisfy the cravings of the inner man. Ardle told a Times representative that he pace continued, while in the eighth Benly in front of the car, which knocked him to the ground. He was picked up in an unconscious condition and carried to White's drug store. Medical assistance was interested about a hundred acres in the published later. J. D. McNiven, M.P.P. has kindly consented to preside as chairman. A splendid time is anticipated.

Ardle told a Times representative that he had secured about a hundred acres in the neighborhood of Chilliwack. He also intends purchasing about 1,200 to 1,500 acres before leaving British Columbia. SPECIAL SERVICES AT

Rev. G. K. B. Adams Delivered Addresses to Children and Young Men Yesterday.

Special services were held Sunday morning and evening at the Metropolitan Methodist church. In the forenoon all pews directly in front of the pulpit were occupied by Sunday school children, the pastor, Rev. G. K. B. Adams, having announced his intention of delivering a special sermon for their benefit. The sermon was most appropriate. Its title was "Gates," and to enable the speaker

to give clearer illustrations of his meaning a small model had been placed on the platform in full view of the congregation. In the simplest possible language Rev. Mr. Adams told the children of many different kinds of gates, the different senses being likened to them, where they led, which should be avoided and which entered being dwelt upon. It was a most instructive address and held the interest

First," he emphasized the necessity of vigilance and wakefulness on the part of every young man who wished to make a success of his career. Explaining his text he said that Simri, although not the first-born, had been appointed by his father to the chieftainship, a position of absolute authority. The name, itself was an indication of the character of this meant watchfulness. That was a trait that should be developed by all youths. Only by watchfulness could they hope to be ready to seize opportuniwho persevered in their duties and "kept their eyes in their head instead of their elbow" would progress. It was only the pects to find considerable of this bark on Vancouver Island. Mr. McArdle's visit is the result of the gradual exhaustion of the supply of bark in the States.
