Hon. H. R. Emerson, minister of railways, and Mr. Pottinger, left today on a trip of inspection over the government railways. Mr. Emerson will be absent from Ottawa about a week.

R. C. Douglas, inspecting engineer of the department of railways and canals has been detailed to report upon the condition of bridges on the Dominion Atlantic railway between Annapolis and Yarmouth, as they are said to be in a defective condition.

Inquiries are being made by military experts as to troops that could be mobilized in the field for the defence of Canada in case of a grave contingency. The instructions also apply to supplies of ammunition. It is likely that a surplus will be accumulated.

Could Not Sleep At Night.

Was All Run Down.

Had No Appetite.

FOOD WOULD NOT DIGEST.

Mrs. I. W. Warner, Riverdale, N.S., is glad there is such a remedy as

Burdock

Blood Bitters

IT CURED HER

AND WILL CURE YOU.

She says: "I wish to add my testimony to the many others who have spoken so highly as to the unfailing virtues of Burdock Blood Bitters. I was all run down, had no appetite, lost all ambition, could not sleep much and had terrible headache and backache, and my food did not digest properly. I saw B.B.B. advertised, so concluded to give it a trial, thinking if it did no good it could do no harm. But after using one bottle I began to feel better, and by the time I had used three bottles I was feeling like a new person. I am so glad there is such a remedy provided for suffering humanity, and cannot praise it enough for I think there is no medicine like it on the market."
