Advices from Montreal say the fruit sales will be from two to three weeks later this season than ever before. BEEF IS SCARCE.

From the present outlook there is every indication of a great scarcity in beef the coming summer. Dealers say beef the coming summer. Dealers say that cattle on the hoof are practicably unobtainable in the province. The only thing that is keeping the price of beef The steamer Alcides, Captain Horsburg, which left for Glasgow last week, carried a general cargo valued at \$99,808.

Undustrial to price of beef thing that is keeping the price of beef down at the present is the abundance of Ontario beef, which is being brought here in considerable quantities.
