You Feel All Used Up,

You're discouraged and disguste not enough energy to think, less to go to work upon. The reason? You are run down, your blood is poor, yur nerves are like India Rubber, not like steel, as they ought to be. Use Ferro-zone and the tired feeling will go, for it makes plenty of rich, red blood that feeds the brain and nerves. The desire to labor comes back and you enjoy it. You don't get tired, because you have rozone. Neglect not a day used Fe

DIGESTION WITHOUT A STOMACH The fact that people live and digest food after the stomach has been removed proves that the important part of digestion takes place in the intes-tines. Hence it comes that Dr. Chase's Kidney-Liver Pills are so wonderfully successful in curing chronic indiges-tion and dyspepsia. They act directly on the kidneys, liver and intestines,

making them healthy, active and vigprous, and so insure perfect digestion and prompt removal of poisonous waste matter.

A STEADY WORKER. Coffee Works Slow Int Sure,

Many people use coffee day after day without an idea of the serious work it does with nerves, stomach, bowels, and sometimes with the eyes, heart and kidneys. Its work is done gradually, that is, the poison affects the nerve

centres a little today and a little tomorrow and so on, and finally the nerve cells are slowly broken down and then Nature begins the call for help.

It is a safe proposition that if a man or woman has headaches, stomach trouble, or any such ailments come on at intervals, something is wrong with the food or drink, and this question should be investigated carefully, for health is the best capital anyone can

possess and willfully breaking it down is a piece of childish folly. It is easy to leave off coffee if one will take Postum Food Coffee, properly made, for Postum has a delicious
