Batters In The Big Leagues

Eddie Collins Leading as Best Base Stealer—Some of the Other Batters Who Did Well.

Chicago, Sept. 20.—Eddie Collins, star second baseman of the Chicago White Sox, celebrated his fourteenth anniversary as a member of a major league baseball club by stepping out in front among the base stealers last Wednesday, and is showing the way in this department with thirty-one thefts. He also climbed from tenth place among the batters of the American League, who have participated in sixty or more games to sixth place, according to averages released today. His nearest rivals for stolen base honors are Sisler, of St. Louis, with 27, and Cobb, Detroit, and Hooper, Boston, who are tied with 25 each.

Cobb, however, is far ahead of the regular batters with an average of .375. Jackson, Chicago, has relinquished his place as runner-up to Cobb, and Bobby Veach, a team-mate of the Detroit star, has gone in second place with a mark of .348, with Sisler, St. Louis, next with .346, and Jackson fourth with .345. Ruth, the new home run king in baseball, is in sixth place with an average of .324. Ruth, however, is topping the league in the number of runs scored, having registered 97 times. He also is far ahead in total bases with 263, and his record of twenty-six home runs is not in danger.

Cravath, Philadelphia, is leading the National League batters with an average of .336, five points ahead of Thorpe, Boston, the runner-up. The Philadelphia manager is in front in home runs with 11. Rousch, Cincinnatti, is being pressed by Myers, Brooklyn, for total base honors. Rousch has 214 total bases, while Myers has one less.

Burns, of New York, moved Groh-Cleveland, out of the scoring honors, and leads his rival by one run. Burns registered 79 times while the Cincinnati captain crossed the plate 78 times.

Cutshaw, Pittsburg, added another stolen base to his string during the week, and is showing the way in the path with thirty-five thefts, his closest rival being Bigbee, a team-mate, who has 29 sacrifices.

Other leading National League batters include Rousch, Cincinnati, .324; Barber, Chicago, .317; Groh, Cincinnati, .311, and Hornsby, St. Louis, .308.

WOODLAND WON FIRST IN SERIES

St. Stephen, Sept. 21.—Milltown, Maine, and Woodland baseball teams who were tie for first place in the New Brunswick and Maine League, played the first game of a series of three this afternoon at the Milltown diamond resulting in a victory for Woodland, 3 to 2. About one thousand people witnessed the game. Following is the score by innings:

LITTLE BITS OF SPORT CHATTER

McGill University had fourteen men out for the first Rugby practice of the season, on Thursday. Only one member of last year's team showed up, the others being youngsters, who desire to break into the game. The candidates on hand were much below the average in weight and it is expected that McGill will have the lightest team on record for many seasons.

Tommy Gosnell was elected captain of the High School football team and Raymond Ellison was made vice-captain. The boys are fast rounding into shape and expect to have a game with the Y. M. C. A. Intermediates in about two weeks.

An effort is being made to revive Jess Willard as an opponent for Jack Dempsey. Press agent stories are being circulated regarding the grand condition Jess has worked himself into, and how he yearns for another go with the Panther. The dear old public is again being fatted for a killing, and if they can induce Willard into taking another hammering it will prove the old truth of Barnum's assertion.

George Black of Toronto has sent in his entry for the Herald Road race at Halifax on October 13. Many other entries have been received for the event and it is expected that the race will be a great help towards bringing the racing game back into its own again.

Tyrus Cobb is again the presiding batting genius of the American League. Ty again inclines his tow head to receive the crown making the twelfth time that he has led the organization. The Georgian is the undisputed batting king of all time and only gives ground to Babe Ruth as a mighty slugger. Much water will pass under the bridge before Ty's equal flashes across the screen again at the big show.

It is interesting to note that July was the best month for both Ed Williamson and "Babe" Ruth for making home runs. Each man made nine in that month. Williamson did not start his record until May 30, 1884, and "Babe," too, was late in starting. He had made only two before Memorial Day. September was "Buck" Freeman's best month. He made eight.

Chief Bender is suffering from an injured ankle and his wife has a broken arm. Bender hurt his ankle in a baseball game. His wife received her injuries in a fall in a departmnet store. The chief will probably be out of baseball for the remainder of the season.

The Montreal teams in the Province of Quebec association, have decided to play professional soccer next year. The new organization will apply for a new standing in the Q. F. A., which permits professional teams to play against amateurs.

St. John Crew Will Row At Shediac

Halifax and St. John Will Meet in Great Rowing Feature at Shediac—Hilton Belyea in Singles.

A four oared crew and two single scullers will represent St. John at the aquatic sports in connection with Soldiers' Day at Shediac on Friday. Hilton Belyea of West St. John received word last night that all arrangements were completed for the St. John men to row against Halifax at Shediac for the championship of the Maritime Provinces.

When the matter was first brought up Halifax proposed that St. Mary's and the North West Arm crews go to Shediac and row for the New Brunswick championship. The intimation was made that St. John would not care to row against Halifax. Word of this reached Hilton Belyea and he immediately offered to take the crew, which defeated the North West Arm crew here on Soldiers' Day, to Shediac and row against any crew. Finally arrangements were made to make the race for the Maritime championship.

Halifax also wanted to meet a single sculler and Mr. Belyea will have another single shell besides his own at the Westmorland town on Friday.

St. Mary's claim the Nova Scotia championship, which was won by them when they defeated the North West Arm. The Belyea crew defeated North West Arm quite handily recently and should make a good showing at Shediac.

Hilton Belyea will row in the fours and later will enter the singles along with another St. John representative.

J. A. McDonald has offered four cups for the winners in the four oared race and those who wish to see some good racing should take advantage of this chance. The St. John crew is in pretty good shape and the dope points to a Maritime rowing championship for St. John.

O'DOWD WON.

St. Paul, Minn., Sept. 21.—Middle weight Champion Mike O'Dowd, of St Paul, outfought Soldier Bartfield, of Brooklyn, in a terrific ten-round bout here Friday night. Bartfield was in distress in the last two rounds and O'Dowd battered him to the ropes at least a dozen times. O'Dowd outweighed the eastern fighter by ten pounds.

THE RACERS RETURNED

Most of the horses that raced in the various classes at the Fredericton Exhibition came to the city Saturday, though some went through to Chatham, where they will strive for honors. As the Prince Edward Island Exhibition opens today, the local fast ones that are entered in the stake races came to the city Saturday and will leave today for the Island.
