## POOR DOCUMENT

### FREDERICTON.

Fredericton, N. B., Dec. 4—(Special)—Peter Clair, who lumbered here on the west branch of Black river, has disposed of his season's lumber cut of about 3,000,000 feet, to the Scott Lumber Company. The deal was consummated here today. Mr. Clair is to deliver the logs at the Fredericton booms in the spring. The Scott Lumber Company expect to cut 20,— Scott Lumber Company expect to cut 20,-000,000 during the present winter, and now have nearly 1,000 men, including jobbers, employed in different camps. William J.

A. L. Treadwell, of Maugerville, who A. L. Treadwell, of Maugerville, who went west with the harvest excursion over a year ago, and has since been located at Brandon (Man.), returned home by the western train today. He reports times quite brisk in and around Brandon, and says the town is growing rapidly. Mr. Treadwell will remain home until spring, when he will return to the west to engage

C. P. R. as civil engineer.

C. Harry Burns, of Maugerville, was struck by a falling tree near his home a few days ago, and sustained quite severe injuries about the head and face.

Mrs. Birdsall Bull, of Woodstock, mother of Mrs. Geo. H. Clarke, of this city, is suffering from a severe attack of paralysis, which has affected one side. Her

Mr. and Mrs. Christopher Smith, who have been visiting in Boston and other New England towns returned home on

by a runaway, is recovering rapidly.

Mr. Stockton and sons, of Penobsquis,

spent Sunday here.

Leon Harper shot a beautiful deer here a few days ago. It had a beautiful head, which he will have mounted. This is the second one Mr. Harper succeeded in get-

There has been several cars of cheese loaded here this fall and through the summer, which causes quite a stir when all the teams arrive. Several cars of cattle have also been loaded here this fall. Most of the produce, cheese, cattle and potatoes raised in Gloshen, the Portage and Corn Hill are shipped from this place. There is a vacancy in the school here, and a first or second class teacher is required.

quired.

Miss Ada McNair, of Mechanic Settlement, is visiting relatives here.

### MONCTON.

Moneton, N. B., Dec. 4—(Special)—The snow storm which has been raging in this section since yesterday spent itself to-night. About a foot of snow fell, making nearly eighteen inches on a level. The storm was so severe on the straits that the Northumberland was mach

the stock on the news stand, where the blaze originated. The fire ran up the wall into the train despatcher's office, on the second floor, and the flooring had to be cut away to get at the flames. The principal loss is to the news company's stock. B, of L. E. and B. of L. F. committees are still here in conference with the I. C. R. management, in reference to an integrations way, finish

rease of pay. The delegations may mish their interview tomorrow.

Moncton, N. B., Dec. 6—(Special)—The deputation of I. C. R. drivers and firemen who have been here during the past week in conference with the I. C. R. management in reference to an increase of pay, concluded their work late Saturday night.

Miss Bertha Charters, who was steward described by the Devid Weston when the steams of the Devid Weston when the steams had her leg broken in landing from the burning boat, is at her home in New Maryland, still suffering from her injury. In the fire she lost all her clothing and \$30 in cash.

Mrs. Eben Randall, of Lakeville Corner, was taken suddenly ill this week from internal trouble, and now lies seriously ill at her home at that place. Doctors Vanwart, of this city, and Camp, of Sheffield, have been in attendance.

Fredericton, N. B., Dec. 6.—(Special)—The death occurred at her home here this the door with an anthustastic audience to the door with

Chatham, Dec. 4.—The first meeting of the season of the Chatham Temperance League was held in the Temperance hall Wednesday evening. Rev. D. Henderson presided and the musical part of the programme was under the direction of St. Andrew's church choir.

There was a goodly number present.

## FUREST FIRES.

with the beginning of this month mails are being carried over the Midland railway to Clarksville, Hants county, where a new post office has been established.

A sixteen-bore Winchester gun, owned by John O'Neill, of Boston, exploded in the hands of Patrick Sheridan, near Shubenaca c. The gun was shattered to pieces and Mr. Sheridan's hand badly injuved Nova Scotia Lumbermen Recommend Appointment of Fire-

Annapolis, Dec. 3-The convention from Annapolis, Dec. 3—The convention from the owners of timber areas in Western Nova Scotia met in session here today, there being a large number of delegates present. Mr. McGrath, of Tusket, was the first speaker and proceeded to take up the cause of forest fires which he had experienced during the lest twenty-five years. In this district fires were prevented. His idea was that fires were set for agricultural purposes and advocated making a clearance of 15 to 20 feet around Miss Ethel Fulton, Elm street, has gone to visit friends in Halifax.

Rev. C. Munro, pastor of the Presbyterian church in Oxford, spent Monday S. M. Cole, of Vancouver (B. C.), who

S. M. Cole, of Vancouver (B. C.), who is visiting at his former home in Little River, Halifax county, was in town of Monday.

Next Thursday evening the students of the academy are to give their annual Christmas concert:

H. E. Nunn, manager of the Raymond Sewing Machine Company's granch business in the maritime provinces, is intending to make his headquarters in Truro.

Mr. and Mrs. R. M. Belyea, of St. John, spent Wednesday in town, and in company with Mrs. Howard Wetmore visited the principal points of interest. They have been making a tour of the provinces, and arrived here from Sydney (C. B.). ing a clearance of 15 to 20 feet around each fire. Mr. Gerald Sanson spoke to the same effect.

Mr. Tewfel thought a Chief Fire Warden should be appointed during a year with power to call on others to assist in case of fire; the men to be recompensed by the owners of timber lands. He advocated that precautions be taken by persons setting fires in a dry season, called attention to the danger from railway.
