A highly interesting social event was the wedding at Shediac Cape on Wednesday morning of this week when Miss Alberta Newman, daughter of Captain and Mrs. J. Newman, was united in marriage to Mr. Arthur Williams, of Cardiff, Wales. "St. Martins in the Wood," the picturesque little Episcopal church at the Cape, had been most effectively and profusely decorated by the girl friends of the youthful bride, and at 11.30 a. m. presented a most attractive and June-like appearance, as the choir at a given signal that the bridal party had reached the church, rose to sing The Voice That Breathed O'er Eden and the dainty bride, prettily gowned in pink and wearing a becoming hat of black, walked up the aisle leaning on the arm of her father, Captain John Newman. Mr. Garnet Newman, brother of the bride, supported the groom, while Miss Carol Newman, looking very sweet in white with large picture hat to match, acted as bridesmaid. The ceremony was performed by the Rev. A. F. Burt, rector of the parish, the guests occupying the front pews on either side of the main aisle marked off with large bows of pink and brown satin ribbon. At the conclusion of the ceremony Mr. and Mrs. Williams left the church to the strains of Lohengrin's wedding march, excellently rendered by Miss Minnie Weldon, and were driven to "The Old Homestead," the charming home of Captain and Mrs. Newman, where a most elaborate luncheon was partaken of by the invited guests. Before repairing to the drawing room, toasts were proposed and heartily responded to by the gentlemen present, the groom being heard in a much enjoyed speech in keeping with the happy situation. The guests present were Rev. A. F. and Mrs. Burt Mr. H. Newman, Miss Flo Newman, Moncton; Mr. G. Newman, Amherst; Mr. and Mrs. W. Marks, Moncton; Mrs. E. J. Smith, Dr. and Mrs. E. A. Smith, Miss L. The groom's present to the bride is a cabinet of silver, which awaits their arrival in Cardiff, while from her parents the bride received a couple of handsome checks. The large array of very elegant gifts displayed clearly testified to the marked popularity of Mrs. Williams in her large circle of friends both in and out of town.

A musical and literary programme was carried out and the valedictory address was delivered by Orland Atkinson, of Riverside, Albert county. The public examinations begin Tuesday of next week.

At a meeting of the cricket club this evening it was decided to extend an invitation to Thorp's team of Boston cricketers for a friendly match on dates to be arranged. This team is to tour the provinces during the latter part of July.

Governor Tweedie, who was elected patron of the club some time ago, dropped into the meeting and formally accepted the honor. He assured the members that he was ready to lend them every assistance in his power.

The closing exercises at the Provincial Normal School took place this morning. A programme of a very interesting nature was carried out.

Principal Bridges announced the governor-general's medal winners as follows:

Silver--Miss Margaret White, Sheffield, Sunbury county.

Bronze—Miss Ethel Hanson, of Carleton county.

Governor Tweedie made the presentations. Referring to the increased interest in nature study and scientific agriculture, the governor said that he felt that it would be wise for the government to give to the teachers taking up this work a grant of 100 acres of land. What this country needed, he said, was to get people to depend not on the government but upon themselves. His honor congratulated both of the medal winners upon their success and wished them higher honors in the future.

Premier Robinson said all appreciated the work of the institution and if the building was not capacious enough and not satisfactory for carrying on the work, and he believed that it was not, then there was no question but that the necessary changes should be made. The chief commissioner of public works, he stated, had plans prepared for enlargements and changes and soon the proposed work would be commenced.

Hon. F. J. Sweeney, Chancellor Jones and Dr. Bailey also spoke.

Timothy Lynch says that there are 50,000,000 feet of logs in the Miramichi booms, and that the rear of the drive is nearing the boom limits.

Stone's drive of three and a half million on the St. Francis for Randolph & Baker got into corporation limits on Wednesday night.

A very pleasant incident took place in the executive council chamber at one o'clock today when Hon. Dr. Pugsley was waited on by officials of the several departments and presented with a farewell address accompanied by a Gladstone travelling bag and requisites. The presentation was made by Deputy Receiver Babbitt, who remarked that he had been in the government service since 1861 and had held official relations with many public men but there was none whose friendship he prized so highly as he did that of Dr. Pugsley. The address which he read made reference to Dr. Pugsley's courtesy towards the officials, expressed regret at his departure and wished him success in the broader field of dominion politics.

Dr. Pugsley returned thanks in a most feeling and eloquent speech. He spoke of his connection with the legislature and the government and thanked the members of the civil service for their efficiency. He said that he had never shirked a responsibility in his political career and regarded himself as fortunate in possessing a capacity for work. If he was fortunate enough to be elected the federal representative for St. John it would be an inspiration for him to strive to do good work for that constituency and the province. He felt satisfied that he was retiring from provincial politics with the good will of the members of the government, legislature and the department officials.

Fredericton, N. B., June 9.—A younm man named Warren Allen, belonging to Burton, Sunbury county, created a lot of excitement here today. He has been undergoing treatment at the Victoria hospital for an attack of typhoid fever, and this morning about 4 o'clock, while delirious, took it into his head to leave the institution. During the temporary absence of the nurse, he went into the bath room, on the ground floor, and made his escape by jumping out of the window.

An alarm was raised instantly, and diligent search was made in the neighborhood of the hospital, but no trace of the man could be found. Later on members of the fire department and other citizens joined in the search, and the river in front of the hospital was dragged, as it was feared he had drowned himself. Shortly before 3 o'clock this afternoon the unfortunate man, clad only in a night shirt, made his appearance at the residence of Fred. St. John Bliss, Waterloo row, and asked for food. Mr. Bliss had heard of his escape, and after providing him with clothing, called a cab and had him returned to the hospital.

It was raining heavily when Allen left the hospital, and he must have suffered greatly from cold and exposure. He was unable to give a satisfactory account of his wanderings, but it is believed that he had hid himself in the Intercolonial freight shed, near Mr. Bliss' residence. It was learned this evening that Allen was showing no ill effects from his open air treatment. The unfortunate affair has been reported to the hospital trustees, and they have decided to hold an investigation tomorrow morning at 10 o'clock.

John Kilburn, the well known lumberman, returned home Friday evening, after landing his drive for Murray & Gregory in upper corporation limits. He says that all of the big drives on the upper St. John are out except W. J. Noble, who has 8,000,000 for Cushing & Co. Noble was delayed in crossing the lake and afterwards got caught in a jam. His drive is now in the main river about fifty miles from the corporation limits and stands a fair chance of getting out.

Mr. Kilburn reports that Pond is doing good work on the upper corporation drive, and so far logs have not been delayed at the sorting boom of the St. John Lumber Co., and Van Buren Lumber Co.

GO TO KANSAS FOR ACADIA PRESIDENT

Rev. Wm. B. Hutchinson Chosen to Succeed Rev. Dr. Thos. Trotter

CHOICE MADE AT WOLFVILLE MEETING

Board of Governors Ballot on Six Names--New President a Graduate of Acadia Twenty Years Ago, and Has Had a Fine Career.

At a meeting of the board of governors of Acadia University, held at Wolfville Friday, Rev. Wm. B. Hutchinson, of Lawrence, Kansas, was chosen president of the institutions in succession to Rev. Dr. Thomas Trotter. The election was made unanimous after six names had been balloted upon.

For many years as head of the great Baptist educational institution, Rev. Dr. Trotter has ably filled the position and when he was compelled to resign on account of ill health, great regret was felt. Then came the matter of choice of a successor and much interest has been taken by Baptists throughout the maritime provinces generally. Rev. Mr. Hutchinson and Rev. Dr. Cutten were put before the board by the nominating committee, but as each member of the board had the privilege of nominating a candidate six names were placed before the meeting yesterday. The balloting was done in the usual may, with the result that Rev. Mr. Hutchinson defeated all the other nominees.

The choice has been telegraphed to him and he has been asked to assume the position as soon as possible and will likely arrive in August, so as to take up the work in full measure by October.

Mr. Hutchinson is a Nova Scotian and graduated with honors from Acadia 20 years ago. On completion of his course there he took theological courses at McMaster University, Toronto; Rochester and Newton Universities, the three great Baptist theological colleges, and his work at all three was of a very high order. He has been engaged in ministerial work and during the time that he has been preaching, his labors have been confined to two pastorates. He is now pastor at Lawrence.

He was not an applicant for the position at Acadia, but several of his classmates, knowing his worth and ability suggested his name and an invitation was sent to him, asking that his name be allowed to go before the meeting. Flattering testimonials of his ability and excellent record were received from the University of Kansas at Topeka, and from McMaster, Rochester and Newton. Rev. Mr. Hutchinson is 46 years old, married and has one child.

HAD A GOOD YEAR

Anniversary Services of Portland Methodist Sunday School — The Reports — Interesting Programme.

Portland Methodist church Sunday school celebrated its 79th anniversary Sunday. An interesting and lengthy programme was carried out, and the annual reports presented. Rev. Neil J. McLaughlin, pastor of the church, gave an address. The Sunday school chorus, assisted by H. W. Bromfield, Miss Evelyn Huey and Mrs. C. Cowan, with Miss Mabel Sandall as organist, gave excellent music.

The report on membership showed a total enrollment of 878.

The pastor referred to the length of time which the school had been in existence, and said that though he had been with the church not yet a year, he already recognized the great power and influence of the Sunday school. The departments enabled the school to reach old and young, the infirm as well as those able to attend, and counted a great deal in the addition to church membership.

A duet, List to the Song of the Birds; a recitation by Miss Eva Chase, and the chorus, 'The Cross of Christ Shall Conquer, were all much enjoyed. Then came the pretty exercise What Little Things Can Do, by five little girls; the solo and chorus Summer Comes; recitation, Suppose, Eva Oatey; chorus, On Our God Relying; exercise, Daffodills, five girls; solo, Pearl Blizzard; exercise, God's Treasury, eight boys; quartette, Sweet and Low.

The taking of the offering was followed by a duet, Keep us Father, and the exercise Voice of the Flowers, by five girls.

ADDRESS AND WELCOME FOR BISHOP RICHARDSON

Rothesay Parishioners Greet His Lordship and Hear Pleasing Address.

Rothesay, June 9—In his reply to an address presented by the members of the church in the parish of Rothesay, in St. Paul's church school room last evening, Coadjutor Bishop Richardson, referring to his summer residence here two or three years ago, said four months residence in Rothesay was equal to a year in some other places.

Hearty applause interrupted his full meaning which was that the health and homes of the people were quite open and familiar in the shorter time here.

The reception to Coadjutor Bishop Richardson last evening was hearty and cordial and his greeting of the many people who attended to meet him was kindly and earnest. The attendance was large and the evening enjoyable. The ladies of St. Paul's, with the energy characteristic of their efforts in church matters, had decorated their pretty school room with much taste and provided in other ways for the material entertainment of the guests after the presentation of the address of welcome.

The address which was handsomely engrossed, was brief yet comprehensive. It was read by the rector, Rev. Mr. Daniel, and was as follows:

Right Reverend John Andrew Richardson, D. D., Bishop Coadjutor, Diocese of Fredericton

My Lord,—On learning of your lordship's intended visit to the parish of Rothesay, it was unanimously decided to present you with an address of welcome which we, on behalf of the church corporation now offer. It is especially gratifying to note that since your consecration you have so promptly taken up the responsible and arduous duties of your office.

May we assure you that the kindly feelings entertained toward you while rector of Trinity church, St. John, have now become deepened.

It has always been a pleasure to listen to your earnest discourses in our churches on your occasional visits and to meet you in the ordinary walks of life. To those of us who have enjoyed the privilege of intimate relations with you in the past it is a special delight to have you with us.

From a united parish we offer you a cordial welcome. Trusting that you will long be spared to carry on the important work to which you have been called and assuring you of our active support and sympathy.

We remain, yours humbly in the service of God,

A. W. DANIEL, Rector.
CHARLES PRINCE.
J. H. A. L. FAIRWEATHER,
Wardens.

Rothesay, N. B., June 8, 1907.

There was nothing stilted or formal about Bishop Richardson's reply. His pleasure at meeting so many old friends again was expressed in hearty terms. If he dwelt upon any phase of ministerial work more than another, it was in the line of priest and people getting closer together. The work of his office was pleasant, but it was not as one Irishman said extctly an "aisy" one. One street laborer asked another just as a bishop was coming out his house, if he had his choice, what he would like best to be?

"Well, I donnow exactly," answered Pat, "but for a nice, clane, aisy job, I'd like to be a bishop."

To meet and become acquainted with the people of the church was his wish, but it was not an easy task. He urged the people to take an active part in the work of the church and not depend upon the labors of a few. His reference to the hard work of a minister's wife was heartily applauded as was his apt and clever compliment to another lady in the congregation whose husband has much to do with the successful management of boys.

Rev. Mr. Daniel and Mrs. Daniel, Mrs. Simon Armstrong and Mrs. Jack H. A. L. Fairweather, with the coadjutor bishop, received the church members as they arrived, and the gathering was pleasant from a social point of view. Many had an opportunity of meeting the new rector of Trinity, Rev. Mr. Armstrong, and to shake hands again with Rev. Geo. F. Scovil, both of whom were present. Toward the close of the evening refreshments were passed around and much enjoyed.
