Ayer's Sarsaparilla. Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood.

It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures.

So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruption of the blood, such as the scrofulous and syphilitic contamination.

Impurities, or diseases that have lurked in the system for years, soon yield to this powerful and safe remedy.

Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Hoarseness, Erysipelas, Tetter, Salt Rheum, Scald Head, Kingworm, and internal Ulcerations of the Uterus, Stomach, and Liver.

It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fife, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison.

It is an excellent restorer of health and strength in the Spring, by removing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season.

When these disorders appear, people feel better, and live longer for cleaning the blood. The system moves on with renewed vigor and a new lease of life.
