

## Greeting.

**T**O all students of Old McGill, greeting. The Young Men's Christian Association of McGill University takes pleasure in extending a hearty welcome to the new students and a cordial invitation to all—new and old—to avail themselves of the privileges of the Association Building, No. 844 Sherbrooke St.

On your arrival in Montreal you are cordially invited to come directly to the Building, where your parcels can be cared for, and any information possible relative to college matters, boarding houses, etc., will be cheerfully given.

If any new student who is a stranger in the city will kindly send his name, together with the time and train by which he expects to arrive, to the General Secretary at the Building, he will be met at the station by a member of the Association and given any assistance needed.
