Were Disappointed. The Irish and Labor members, in-cluding Arthur Henderson, expressed prime minister's speech, and reproached Mr. Lloyd George for his treatment of the late John Redmond, when the latter courageously tried to bring about reconciliation, as justifying the Sinn Feiners' reluctance to place confidence in the prime minister.

Mr. Henderson said that before the Sinn Feiners could respond to Mr. Lloyd George's present suggestion they must have very definite assurance that the negotiations would lead to definite business.

CUT IN WAGES

100,000 Packers Sign Agreement Following Conference At Chicago.

WASHINGTON, D. C., March 23.—
Workers in the packing industry, numbering more than one hundred thousand, accept the recent wage reductions of approximately 12½ and 15 per cent under an agreement signed late today by their spokesmen with representatives of the five leading packers.

The agreement as signed also provides for the basic eight-hour day and for extension for six months, or to September 15, of the war-time Alschuler agreement for arbitration of differences.

The wage scale as agreed to corresponds with that put into effect March 7 by the big packers. It reduces the wage rate of all hourly paid employees eight cents an hour and amounts to a reduction in piecework wage rates of 12½ per cent.

SAYS MAGISTRATES SHOULD BE GIVEN SUFFICIENT SALARY

Sarnia Official Discusses Proposal of the Ontario Legislature.

SARNIA, March 23.—While not affected by the legislature which, if adopted, will prohibit a magistrate who is a lawyer from following his practice as a side line, Magistrate Gorman believes that if such regulations are passed magistrates should be placed on the same basis as county judges and should be given sufficient salary to provide a proper living.

Submission of evidence in the case of John F. Ruff against William S. Swan, et al., an action for alleged infringement of patent rights, was carried on throughout the session of the Lambton spring assizes in the county courthouse here, and had not been concluded up until noon today, although the evidence for the plaintiff had been concluded, and the defence started. The evidence was of a highly technical nature, dealing with the different inventions for condensing and pasteurizing milk, patents held, by whom and where, etc. The plaintiff, John F. Ruff, was on the witness stand for over three hours, and other expert witnesses were examined at length. Cowan, Towers & Cowan are solicitors for the plaintiff, and Hanna, Lesueur & McKinley for the main defendant.

The preliminary hearings in the case of Wm. Hunter, Oscar Anderson and Allan Dingwell, charged with the alleged theft of merchandise from a Grand Trunk freight car, were further adjourned today until Tuesday next. The case of Fred R. Hamilton is scheduled for hearing tomorrow, but it will probably go over until Tuesday also. The hail posted in the first three cases was renewed. SARNIA, March 23 .- While not af-
