AYER'S CHERRY PECTORAL.

For the Cure of Coughs, Colds, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma, and Consumption.

Among the numerous discoveries Science has made in this generation to facilitate the human life—its increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following opinions of eminent men, and refer further enquiry to the circular which the Agent below named, will always be pleased to furnish free, where in are full particulars, and indisputable proof of these facts.

From the President of Amherst College, the celebrated Professor Hitchcock.

"James C. Ayer—Sir: I have used your Cherry Pectoral in my own case of deep-seated Bronchitis, and am satisfied from its chemical constitution, that it is an admirable compound for the relief of laryngeal and bronchial difficulties. If my opinion as to its superior character can be of any service, you are at liberty to use it as you think proper."

EDWARD HITCHCOCK, L.L.D.

From the widely celebrated Professor Simon, M.D., L.L.D., Professor of Chemistry, Mineralogy, &c., Yale College, Member of the Lit. Hist. Med. Phil. and Scientific Societies of America and Europe.

"I deem the Cherry Pectoral an admirable composition from some of the best articles in the Materia Medica, and a very effective remedy for the class of diseases it is intended to cure."

New Haven, Ct., Nov. 1, 1849.

Major Pattison, President of the S. C. Senate, states he has used the Cherry Pectoral with wonderful success, to cure an inflammation of the lungs.

From one of the first Physicians in Maine.

Saco, Me., April 26, 1849.

Dr. J. C. Ayer, Lowell. Dear Sir: I am now constantly using your Cherry Pectoral in my practice, and prefer it to any other medicine for pulmonary complaints. From observation of many severe cases, I am convinced it will cure coughs, colds, and diseases of the lungs, that have put to defiance all other remedies. I invariably recommend its use in cases of consumption, and consider it much the best remedy known for that disease.

Respectfully yours, I. S. CRISHMAN, M.D.

Prepared and sold by James C. Ayer, Practical Chemist, Lowell, Mass.

Sold in Toronto by Lyman Brother & Co., in Hamilton by Hamilton & Kneeshaw; in Kingston by E. W. Palmer; in Montreal by Lyman & Co.; in Quebec by Joseph Bowles, and by the Druggists everywhere throughout the Provinces and United States.

HEALTH WHERE 'TIS SOUGHT

HOLLOWAY'S PILLS.

Cure of a Case of Weakness and Debility, of
Four Years' Standing.

Extract of a Letter from Mr. Smith, of No. 5, Little Thomas Street, Gibson Street, Lambeth, dated Dec. 12, 1850.

To Professor HOLLOWAY,—

SIR,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility with constant nervous headaches, giddiness and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical men, some of who after doing all that was within their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day, being unusually ill and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than a hope of being cured, however, I soon found myself better by taking them, and so I persevered in their use for six months, when I am happy to say they effected a perfect cure.

[Signed]

WILLIAM SMITH.

CHANGE OF THE SEASONS!

AND NEW, CHEAP AND SEASONABLE
DRY GOODS.

The showers of the Spring are but shed o'er the land, The earth but unfettered from Winter's grim hand; Its breezes but felt, and its verdure but seen, When it passes away with the Springs that have been, Then Summer comes on with its sweet smelling flowers, Its rich verdant fields, and its ivy-clad bowers; Yet strange, when it yields us the greatest delight, It mocks at our gazing, and fades from our sight, Then Autumn succeeds, with its corn and its grain, Its fine mellow fruit, and its rich yellow plain; But like Spring time and Summer, how short is its stay, It drops the leaf and passes away. Then Winter draws nigh, and the leaves disappear, And every green spot grows withered and drear; And the breezes of evening are heavy and chill, And the snow spreads its mantle of fleece o'er the hill; Unlike Spring time or Summer, or Autumn it stays, Through many bleak nights and cold frosty days, Till we tire of its visit, and wish him away, And long for the balmy breezes of May.

McDONALD, on Yonge Street, One Hundred and Three, Has a Stock which he wishes the Public to see; Well suited in fabric for cold Winter's trade, And embracing the latest designs that are made; There are Flannels and Blankets, in goodly supply, Which feel thick to the hand and look well to the eye; There are hundreds of Shawls, some styles very rare, The fine, heavy, long, and magnificent square; There are Broad Cloths, and Dueskins, and Cassimeres too, And Lustrous, and Cobourgs, in every fine hue; And a fine stock of Furs, which, at some recent day, Were trapped on the banks of the famed Hudson Bay. There are fine Cloaks and Bonnets, and many things more, That McDONALD keeps always on hand at his Store; He would not the rights of another invade, While he seeks for a healthy extension of trade; But if fairness will answer, and bargains repay, Then call at his Warehouse at some early day; He asks but a call, 'tis a modest request, And a glance at his prices will tell all the rest.

THE object of this Advertisement is in part to do away with an erroneous opinion which has long prevailed, viz.—that nothing choice or tasteful can be had in the Dry Goods department on

YONGE STREET.

an examination of the Subscribers Stock will sufficiently refute that notion, as it will be found to comprise all the articles in general use in the Trade. The following will be found especially worthy of notice:—DRESS GOODS, in Lustrous, Cobourgs, Silk Mixtures, Cashmeres, De Laines, &c., from 1s. upwards. SHAWLS—a large stock of British and American Manufactures; a good supply from the celebrated RAY STATE MILLS bought as jobs and offered low. BLANKETS.—A good supply commencing at 6s. 3d. per pair, Cot Blankets, FLANNELS in Welch, Saxony, Lancashire, and Canadian, from 1s. 1d. upwards.

A large Stock of

SILK VELVETS in black and chocolate; also, an assortment of

PULPIT VELVETS,

on which article a liberal discount will be made, if wanted for Church purposes. Attention is directed to the stock of

STONE MARTIN FURS.

Long Flat Bos commencing at \$12. Gutta Percha sewing Thread; Chinese Tapes, peculiar for not twisting in washing; Chest Comforters, a good safeguard for persons much exposed to the weather.

N.B.—The attention of the Trade is solicited to a large Stock of 9-8th and 5-4th Prints, in Lilac and Madder Colours, warranted fast, commencing at 6d. per yard; also, to a Lot of cheap Stuff Goods; 70 or 80 dozen Bonnet Shapes, commencing at 2s. 3d. per dozen net; and every class of Goods offered to the Trade on the same favourable terms.
