L'ECHO DE LA FRANCE.

Revue Etrangere de Science et de Litterature.

E pluribus unum. Made up of every creature's best. Realizer le bien et contempler le beau.

The object of this Publication is to reproduce, in convenient form, the choice extracts which are now spread out in Reviews, Newspapers and Periodicals published in Europe, and particularly in France, as is indicated by our title, and to furnish this valuable collection to the Public of Canada, at a very moderate price.

It is believed there is in Canada a vacancy for such a Publication; and that a compilation affording a collection of the literary beauties and discussions of many subjects, which now appear in the Old World in the French tongue, would be acceptable as well to the English as French speaking portions of our population.

Certainly to all that part of the English speaking population to whom it is an object to cultivate acquaintance with the French language, or the polite literature of France, the projected publication will be in an especial manner valuable.

We purpose to give to our Review as wide a latitude as possible (even to affording to Romance a small space,) and to furnish extracts from the speeches and writings of the Thiers, the Berryers, the Monta-lemberts, of Pere Felix, of Kolb-Bernerd, Menseigueur Dupanloup, Michel Chevalier, Veuillot, De Laguerronniere, &c. &c., also sometimes from Figaro, and the Chariveri. It will thus be

Various, that the mind Of desultory man, studious of change

And pleased with novelty, may be indulged. Young people especially will find it very advantageous in their studies of the French language, as it will give them the best and safest illustrations of what they learn, adorning at the same time their memory and intelligence with some of the best productions in the world. And we can repeat that it will be the most desirable means of initiating French Scholars int, the beauties of the diplomatic tongue

L'ECHO DE LA FRANCE is published fortnightly and contains 64 pages - forming three vols, of over five hundred pages each at the end of the year.

THE SUBSCRIBER having, by a new and special arrangement, been appointed by Messrs. JACQUES & HAY, of TORONTO, their sole and only Agent in THIS CITY, for the Sale by Auction, of their splendid FURNITURE, takes the earliest opportunity of announcing to the Unizens of MONTREAL and the public generally, that he will, from time to time during the ensuing Spring, offer at his spacious and well established premises, No. 139 GREAT ST. JAMES STREET, the various extensive consignments direct from this celebrated establishment, embracing all the new styles of their elegant and elaborately carved and polished BLACK WALNUT FURNITURE, in every variety and description necessary to meet the

demands of modern taste and convenience.
In addition to the Sale at his own Stores, the Sale of HOUSEHOLD FURNITURE and EFFECTS at the private residence of parties declining House keeping or removing from the city, will claim special attention; and all OUT-DOOR SALES of this description are respectfully solicited. Increased facilities have been secured, with the view to the efficient carrying out this department of the business, in order to ensure the greatest economy and des patch in disposing of property, so that parties selling out can have their account, sales and proceeds immediately after each sale.

Special attention will be given to the Sale of REAL ESTATE and CITY PROPERTY, and as this department of the Auction business is becoming more important with the increase and extension of the City, the undersigned offers the most Liberal Terms to parties wishing to bring their property into the market for public competition.

A great hardship has been felt by both buyers and sellers, the former being taxed illegally with one per cent. on the amount of purchase, and the latter by the exorbitant charge for commission and advertising .-Now, the undersigned proposes to do away with this grievance as far as his own business is concerned, by undertaking the Sale of Real Property, on conditions which, it is hoped, will meet the views of all parties, namely-

1st-There will be no charge of one per cent to the purchaser.

2nd-When bona fide sales are effected not exceeding £5000, the commission will be £5; and on amounts from £5,000 upwards, only £10, exclusive of the cost of advertising; upon which the regular trade discount of 25 per cent. will be allowed.

3rd-When property is bought in, reserved, or withdrawn, no charge will be made, except the actual disbursement for advertising.

The undersigned avails himself of this opportunity of returning his sincere thanks to the public for the Bells for Churches, Academies, Fac- very liberal patronage bestowed on him during the tories, Steamboats, Locomotives, Plan-; past four years, and trusts, by prompt attention to business, and strict adherence to the foregoing programme, to meet a continuance of the same. N.B.-All orders left at the Office will meet with immediate attention.
