## Let me talk to you about Nerve Troubles.

Our nerves are like an intricate network of telegraph wires. They are controlled and nourished by a portion of the brain known as the nerve centres. The condition of the nerve centres depends upon the condition of the bodily health. When the bodily health is lowered the nerves suffer in sympathy. Then it is that we are tormented with "nerves," headaches, neuralgia, nervous debility. In such cases there is nothing to equal 'Wincarnis,' the 'Wine of Life.' 'Wincarnis' is a powerful nerve food which acts directly upon the nerve centres and gives them new life and new vitality. The result is wonderful. Will you try it?
