Intramural award

by Margo Schmitt

Tracy David, Jim Thom, Randy Davies, and Donna and George Ann Burr were named top Intramural Participants for 1982-83 at the Intramurals Awards Presentation and Social, Wednesday.

David was the recipient of the T.M. Johnson trophy as Outstanding Participant in Women's Intramurals. She also received the 40 point award having participated in 40 different activities throughout her university career. She is a member of the O.V.'s and had

been manager of this unit for the 3 years previous to this one. David still helps in the organization of the unit and was quite active on the Women's Intramural Council as unit manager.

The Men's Outstanding Participant was Jim Thom, unit manager of Delta Upsilon. Thom participated in 14 out of 16 activities this year and also helped in the officiating end of things. A driving force in his unit, Thom was a deserving candidate for this award.

In Co-Rec, Randy Davies emerged as the Outstanding Male Participant. Davies had been active all year as unit manager of LDS. He had participated in 7 out of 10 activities offered in the Co-Rec program.

Donna and George Ann Burr shared the title of Outstanding Female Participant in Co-Rec Intramurals. They generated a great deal of enthusiasm in the LDS unit over the year.

Stephanie White was the "Participant of the Week" for March 21-27. She is a fourth year Physical Education student and is the unit manager for the Shooters. White was the recipient of the Outstanding Unit Manager Award in Women's Intramurals as well as a 40 point award winner. She has kept the Shooters going and has contributed a great deal to the Intramurals Program this year.

Thanks to all the Campus Recreation participants who have been involved in the programs over the year, and hope to see everyone out again next year.

The Golden Bear Soccer team, national champions in 1981, hope for continued success in 1983 with new coach Sandy Gordon.

Baseball bonus

April 23 is the last day of final exams and the Edmonton Trappers are offering students a chance to start their summer with the boys of summer.

The baseball club will be lowering ticket prices to \$1.50 (from \$4.75) for the game against the Albuquerque Dukes that Saturday at 5:45 p.m.

The Trappers are now the triple A affiliate of the California Angels while the Dukes are the farm team of the L.A. Dodgers so the game shapes up to be the battle of Los Angeles in Edmonton.

The discount tickets will be on sale at the SUB box office only, not at the gate.

Soccer Bears to kick off new coach

The Golden Bear Soccer Team has a new coach, Sandy Gordon. Gordon had been an assistant for the past two seasons to coach Bruce Twamley who resigned earlier.

Two priorities for Gordon will be to establish a year-round soccer program and a junior

varsity team. An intercollegiate indoor league is also being discussed.

Previous to his two years at the U of A, Gordon had been a coach and player coach in his native Scotland. In 1976 and 1978 he coached the Aberdeen University Football Club to the league

championship.

From 1976 to 1980 he also coached the Scottish Universities Select team which won three British Universities Championships.

Gordon is pursuing a doctorate degree in Sport Psychology at the U of A.
