American Express makes it especially easy for Graduating Students to qualify for the Card!

Now, before you leave school, American Express lets you qualify for Cardmembership under special criteria.

American Express believes you, as a graduating student, have a future to be proud of. We'd like to be part of it.

So, if you are graduating this year and have accepted career-oriented employment at a minimum annual salary of \$10,000, we have created special acceptance standards for you.

Perhaps you've thought of the American Express® Card as the one you'd like to carry some day. But the truth is that NOW may be the most important time for you to have its benefits.

Why you need the Card now

The Card can help you take control of your finances as you move into your new life. In most

cases it provides you, not just with a listing of expenditures, but with actual duplicate copies. Record-keeping becomes easy. And, since it is not a "credit" card, you aren't encouraged to get in over your head. You pay your bill in full each month.

Apply right away - before you leave school - and take advantage of our special Graduating Student Criteria.

Look for the special "Take One" stands on bulletin boards...and take one. Or call this toll free number:
