

# The Bible for Home and School

VOLUMES NOW READY — *Continued*

## Genesis

By HINCKLEY GILBERT MITCHELL, Ph.D., D.D., Professor of Hebrew and Old Testament Exegesis in Boston University.

*Cloth, 377 pages. Price, 90 cents net; by mail, 97 cents*

"The introduction to this volume on Genesis gives the very best and clearest analysis of the book, according to the 'modern critical theories,' to be had anywhere." — *The Presbyterian*.

"Genesis has always been one of the most popular books of the Bible, yet in some ways it is one of the most difficult. These difficulties arise partly from the book itself and partly from the popular conception of the book. It takes scholarship to handle the first class of difficulties, and courage the second; and Dr. Mitchell has both scholarship and courage. . . . The notes are learned and brief and have a vivacity that makes Genesis seem quite a modern book." — *Boston Transcript*.

## Galatians

By BENJAMIN WISNER BACON, D.D., LL.D., Professor of New Testament criticism and exegesis in Yale University.

*Cloth, 135 pages. Price, 50 cents net; by mail, 55 cents*

"Learned, vigorous, and stimulating." — *American Journal of Theology*.

"We know of no commentary which gives a better exposition in so brief a compass." — *The Reform Church Review*.

## Colossians and Ephesians

By GROSS ALEXANDER, Editor of *The Methodist Review*.

*Cloth, 132 pages. Price, 50 cents; by mail, 55 cents*

"Judging from the volumes that have appeared, the general editor of these commentaries has been very successful in getting commentators who have the skill so to treat the books of the Bible that they come to the men of to-day with vital power. The introductions to these two epistles are marvels of compactness; yet all that is necessary to those for whom this series is intended for an understanding of these letters will be found here." — *Boston Transcript*.
