

But it is as a fishing, boating and yachting centre and as the coolest and most picturesque spot on the chain of Great Lakes that Kingston claims pre-eminence as a tourist resort. At Kingston and within ten miles of it are the finest bass fishing grounds on the continent, where the small mouthed

### THE BRITISH AMERICAN HOTEL KINGSTON.

THE BRITISH AMERICAN HOTEL which is now under the able management of Sherriff Bros., maintains the high reputation it has enjoyed in the past. It is most conveniently located within a block of the wharves and railway stations, and affords the traveller first-class accommodation in every respect. Rooms with running water, furnished with everything to ensure perfect comfort, with or without baths. Meals second to none and excellent service all combine to make this house all a traveller can desire.

black bass, the gamest fish in inland waters, makes its home. In Kingston harbor itself, which is one of the finest and safest in the world and is equally well adapted for rowing, canoeing or yachting, the small mouthed black bass and maskinonge are caught in large numbers half a mile from the docks. Our American cousins have learned of this and are now coming in thousands every summer to enjoy the sport.
