

I have examined the MS. of some of the discourses by Mr. L. Foote, and I have no hesitation in vouching to their high spiritual tone. He evidently has the mind of the Holy Ghost in the exegesis and application of the Word of God.

Mr. L. Foote.

Dear Friend,—I have examined some of the MS. of your volume of discourses, and wish to say that I consider them scriptural and suggestive, and here would express a hope for their wide circulation.

Yours in the Master's service,

F. C. BLAIR,
(Biblical Instructor in the Y.M.C.A., Ottawa.)

Mr. L. Foote,

Dear Sir,—I have read some of the MS. of the discourses of your intended volume, and find them largely colored by the dispensational views of the writer, and while not holding with all the statements made, yet, in the main, I believe them to be profitable reading for earnest minds.

HAROLD I. HORSEY,
(Pastor of "Welcome Zion" Glebe Congregational Church, Ottawa.)

This is to certify that I have looked over a number of the discourses in this volume, and have pleasure in bearing testimony to the marvellous grasp the author has of the Word of God. While they are not "homiletically" treated as a professor might teach, yet they are charged with the Spirit, and of them it might be said that he has hardly written five lines without a Biblical reference. His acquaintance with the Scriptures, and his dependence on the guidance of the Holy Spirit, reveal the sources whence he derives the power to proclaim the Truth.

A. E. MITCHELL,
(Pastor Erskine Church.)
