A complete and thorough revision of the well-known Unabridged, the purpose of which has been not display nor the provision of material for boastful and showy advertisement, but the due, judicious, scholarly, thorough perfecting of a work which in all the stages of its growth has obtained in an equal degree the favor and confidence of scholars and of the general public.

It is the best for practical purposes, because words are easily found, pronunciation is easily ascertained, meanings are easily learned, the growth of words easily traced, and because excellence of quality rather than superfluity of quantity characterizes its every department.

Opinions of Eminent Legal Authorities.

The Hon. Sir Oliver Mowat, Minister of Justice, OTTAWA, August 17, 1896, says: From the examination which I have had occasion to make of Webster's International Dictionary, and its important appendices, I have learnt something of its thoroughness and great value. The enterprise of its publishers highly merits recognition and reward.

Hon. John Wellington Gwynne, a Judge of the Supreme Court of Canada, OTTAWA, Jan. 23, 1896, says: It is indeed a superb work, and it is impossible to appreciate too highly the vast learning and labor which have been expended in its preparation. No library, public or private, can be complete without it.

Hon. George E. King, a Judge of the Supreme Court of Canada, OTTAWA, May 28, 1896, says: Webster's International Dictionary is a monumental work. I believe it to be the most serviceable of all English dictionaries, and have found it equal to every call made upon it. I most heartily recommend it.

Hon. Deire Girouard, a Judge of the Supreme Court of Canada, OTTAWA, Feb. 6, 1896, says: I have Webster's Unabridged in my library, where it has been in constant use as the best dictionary of the English language. The new International edition contains a great deal of information not to be found in the Unabridged.

'The One Great Standard Authority,'

So writes Hon. D. J. Brewer, Justice United States Supreme Court, who Voices the General Sentiment.
