THE OUTFIT YOU KNOW MAKES GOOD

You don't buy a Sawyer-Massey outfit blindly. You know from the long and successful record of Sawyer-Massey \overline{ma} -chinery in every province in Canada that it will make good and give you satisfactory service.

We have been building farm power machinery to meet the requirements of Canadian far mers and threshermen for more than seventy-nine years, and our whole successful business is founded on the honest value we build into the machines and the satisfaction they give their owners. At the last Winniped contest the Sawyer-Massey "25-45" Gas Tractor won the Gold Medal, proving itself the best in Canada. Sawyer-Massey Steam Tractors, built in many sizes and styles have everywhere proved their efficiency and are recognized as the standard. Sawyer-Massey Threshers, the big "Great West," the 'Daisy," the little "Eclipse" and the "Monitor" Clover Huller are famous grain savers and money makers.

There is a Sawyer-Massey outfit to meet the requirements of every farmer and thresher man in Canada. Write for our illustrated catalogues and investigate them for yourself.
