Better, Cheaper, Stronger Than Wood

You can't put a better fence around your property than the Peerless Lawn Fence. It is neat and attractive—strongly and staunchly built. Made from heavy, No. 9 steel wire, well galvanized and coated with white enamel—will stand for years and cannot rust.

Peerless Lawn Fence

It is hard-wood enough for city property and is strong and cheap enough for the farm. It will keep cattle out and stand up under the heaviest snow drifts. Peerless gates are made with an electrically-welded, solid frame—last a lifetime and always look and work well.

We make a full line of poultry and farm fences and gates.
