

.. UP-TO-DATE ..

That is What
THE **SMITH**
CONCRETE
MIXER IS

If you wish to know what users throughout Canada think, write them, or else drop us a line for references.

We offer you the best Concrete Equipment money can buy.

Note how the weight is thrown much more over the wheel than with the ordinary barrow.

STERLING

ALL STEEL
ROLLER BEARING

WHEELBARROWS

are specially adapted for concrete work. Their large capacity naturally means faster and more satisfactory work, while they cost no more than the ordinary barrow.
