

CANADIAN AND AMERICAN HISTORY AND POLITICS

Statues, Rare and Valuable Pamphlets Relating to Canada, Etc.

1 SENEX (John) Rare Old Atlas, comprising 34 large and extremely interesting folding maps of a large size, 38x26, including the hemisphere, North and South America, etc., and including the Solar System by William Whiston. Illustrated with numerous fine old cornerpieces. Tall folio, sewn, in good state; \$17.50. At the Globe, against St. Dunster's Church in Fleet Street, 1725. One of the American maps being dated 1710.

2 JAILLOT (Hubert), Rare Old Atlas; comprising 22 large and extremely interesting coloured maps, including the hemispheres of North and South America, etc., illustrated with numerous cornerpieces. Tall folio, half calf, in good state. \$20.00. 1706.

The American maps are the following: L'Amerique Septentrionale divisee en ses principales Parties scavoir les Terres Arctiques, Le Canada ou Nouvelle France, le Mexique ou Nouvelle Espagne, Le Nouveau Mexique, les Isles de Terre Neuve, de Californie, et Antilles ou sont distingues les uns des Autres les Estats comme ils sont possedés presentement par les Francois, Castillans, Anglois, Suedois, Danois, et par les Estats Generaux des Provinces Vines ou Hollandois.

L'Amerique Meridionale divisee en ses Principales Parties scavoir La Terre Ferme, Le Peron, Le Chili, Le Bresil, Le Paraguay, La Terre et Les Isles Magellaniques, ou sont distingues les uns des Autres Les Estats comme ils sont presentement possedés par les Francois, Castillans, Portugais, Hollandois.

One of the American maps is dated 1709. Old Atlases in anything like good condition and in perfect state, are becoming extremely scarce and valuable owing to the fact of European Booksellers disposing of the maps separately at a pound or thirty shilling each, and we may add they are well worth the money.

3 WARNER & BEERS, Atlas of Macon Co., and the State of Illinois, to which is added an Atlas of the United States, Maps of the Hemispheres, etc., etc. Folio, cloth, illustrated. \$2.50. Chicago, 1874.

4 MILES, Standard Atlas of Canada; compiled by special permission of the general Provincial Governments, from the latest official maps and surveys; comprising a complete and correct series of Geological, Topographical, and Timber Land Maps of Canada, etc., letterpress descriptions of the Provinces, Cities, Chief Towns, Geology of the Dominion, etc., etc., arranged from special reports; Atlas folio; becoming scarce, half calf. \$8.50.
