**PRINCE RUPERT'S STRIDES.**

Progress at Prince Rupert is marked. The cost of buildings erected since the sale of town lots up to end of July is \$100,000. The Bank of British North America has resolved to erect a good building on the lot they lately bought, while the Bank of Montreal and the Royal Bank are looking for good lots on which to build. The Provincial Government and the G.T.P. Company have agreed to spend \$110,000 more in plank roads, sewers, and a water system for the town, the work to begin at once.

An industry which will be of great importance is the proposed Canadian Fish and Cold Storage Company, which, whenever the site they have chosen is confirmed to them, will spend \$250,000 on building and plant. They have already ordered steam trawlers from the Old Country.

It is said that the Union Bank of Canada will presently open a branch at Kinselas, on the Skeena River, 100 miles east of Prince Rupert, probably to accommodate contractors on the G.T.P.

The staff of the Bank of Montreal, of Vancouver, on the occasion of the departure of assistant manager V. F. Cronyn, who comes to Toronto as manager of a Northern Crown Bank branch, presented him with a gold watch and chain.

At a meeting of the depositors and creditors of La Banque de Hyacinthe held to-day, Mr. L. F. Philie, liquidator, reported the following figures: Amounts collected in the assets of the bank, \$593,897.52; from the shareholders (shares, \$37,200); total, \$637,187.52.
