JOYFUL NEWS FOR THE AFFLICTED.

Toney River, N. S., Nov. 15, 1877. C. Gates & Co.,—Gentlemen,—Some time last winter one of my children—a little boy about eightheen monthes—was badly frighteened and his heltn became seriously affected. On the least alarm he used to go off in a kind of fit, becoming motionless and black in the face, his heart at the same time palpitating in the most alarming manner. Each fit was worse than the preceeding one, causing us to fear heart disease. Hearing of some of the numerous cures eff ected by your medicines in this and other localities, I procured from your agent, Mr. E. A. Gile, a bottle of your No. 2 Bitters, and before it was half gone I noticed a marked improvement in the child's health. A second bottle compleated the cure. The little fellow satisfied that Gates' Life of man Bitters liberty to publish this certificate if you wish so to do.

With respect, yours truly, WILLIAM McMILLAN.

I will vouch from personal knowledge for the truthfulness of the above certifi-

THIS DISCOVERY

Is the result of a series of Scientific Experiments based upon the theory that "for the successful cure of Wasting Diseases, the nervous system must be made vigorous and healthy."

One of the first symptoms of disease affecting either the Liver, Lungs, Heart, Stomach, or Genital Organs, is a loss of nervous power. This is followed by musis now perfectly well and I am perfectly | cular relaxation, weakness, and emaciation of all the organs which depend for health saved his life. You are perfectly at on involuntary muscular action, the weaker suffering first.

Now, as the muscles and nerves depend so much upon each other for efficient strength and action, and as the organs they control depend on both, it becomes an actual necessity to treat the nerves and muscles directly in order to speedily and permanently cure diseases of the above named organs.

The inventor, acting upon these ideas, after months of experience, during which time he had ample opportunity for trying the effect of his discovery, became convinced that no other preparation known contained so potent and direct an effect upon the nervous system as his

COMPOUND SYRUP OF HYPOPHOSPHITES. and except in cases of actual organic loss. that it would restore patients suffering from those maladies.

Amongst the diseases overcome by the use of this remedy are the following:-Chronic Constipation, Chronic Dyspepsia,

Asthma,

Chronic Bronchitis, Consumption, Chronic Diarrhæa. Chronic Laryngitis, Melancholy, Nervous Debility.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES The power of arresting diseases displayed by this preparation is honorably acknowledged by the medical faculty in every section where it has been introduced; and the large sale is the best

guarantee of the estimation in which it is held by the public. This Syrup will cure Pulmonary Consumption in the first and second stages, will give great relief and prolong life in the third. It will cure all diseases originating from want of Muscular action and

Nervous Force. Do not be deceived by remedies bearing a similar name no other preparation is a substitute for this under any circumstance Look out for the name and address J. I Fellows', St. John, N.B., on the yellow wrapper in watermark which is seen by holding the paper before the light.

Length and Weight.

We would ask the purchasers of Cotton Warp to remember that our Yarn is spun on Throstle Frames, which make a stronger Yarn than the Ring Frames, used in making American Yarn. It is also better twisted and more carefully reeled; each hank being tied up in 7 leas of 120 yards each. This makes it much more easy to wind than when it is put up without leas—as the American is—and also saves a great deal of waste Those acquainted with weaving will under stand the great advantage it is to them to use yarn put up in this manner.

COTTON CARPET WARP MADE OF No. 10 YARN, 4-PLY TWISTED WHITE, RED, BROWN, SLATE, &c.

All fast colors. Each 5 lb bundle contains 10,000 yards in length and will make a length of Carpet in pro-portion to the number of ends in width. We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other ma-terial. Since its introduction by us, a few years ago, it has come into very general use throughout the country.

All our goods have our name and address upon them. None other are genuine.
